Form 990 (2016)

Form 990, Part III, Line 4a:

Within the Oregon legislative system, NPCOs focus is on decreasing health disparities among women, particularly low income women and women of color. Our signature piece of legislation this session was the Reproductive Health Equity Act (HB 3391), which not only codifies the right to legal abortion in the state for the first time ever but also protects and explains the essential reproductive health care benefits of the ACA and ensures that equal coverage for contraception, abortion and postpartum care is available to every Oregonian despite their income, gender, or citizenship status. NARAL Pro-Choice Oregon is honored to be part of the Fair Shot for All Coalition, whose policy priorities include RHEA as well as Cover All Kids (SB 558/HB 2726) and End Profiling (HB 2355), both of which successfully passed this session. Cover All Kids will expand coverage to more than 15,000 children in the state of Oregon and ensure that every child is on a path to success. End Profiling will start to change the culture of policing and make neighborhoods safe and communities stronger. Healthy kids and safe communities are essential elements of reproductive justice and we are proud to stand with the coalition that helped pass this important legislation. In complement to RHEA, which created zero out-of-pocket coverage for men seeking vasectomy services, HB 2103 sought to address the shortage of clinicians providing vasectomies by permitting licensed Nurse Practitioners to perform the procedure (which was already determined to be within scope of practice). NARAL Pro-Choice Oregon was an enthusiastic endorser of this bill and was proud of the Oregon Nurses Association for their strong advocacy on its behalf. We are proud to have endorsed the Equal Pay Act (HB 2005) which passed with bipartisan support and strengthened protections for workers. This legislation plays a critical part in ending pay discrimination for women, people of color, workers with a disability, LGBTQ workers and all other protected classes and we commend Oregon legislators for taking this step toward addressing economic inequality. We stood with the Bus Project endorsing SB 802, which lowers Oregon's voter pre-registration age to 16. As a result of this bill, voters will be automatically pre-registered when they obtain their driver's license at the DMV. As an organization that cares deeply about voter registration and civic engagement, we were thrilled to endorse this successful bill that will create thousands more voters and engage even more young people in the political process. Our organization educated our constituency regarding threats to choice in Oregon. We have partnered with Raising Women's Voices in support of health care policies which seek to increase women's access to reproductive health care options rather than limit them. Grassroots advocacy is at the heart of our work. Our constituency includes 273 active volunteers working with us to explain and protect choice in Oregon. We engage our supporters in their communities, this year, NPCO participated in 56 different community events throughout the Portland Metro area. We communicate with our 11,569 activists on a weekly basis. Through an expansion of our social media program, we have provided weekly public education on reproductive health care to more than 5,223 Facebook followers and have become a leading pro-choice voice on Pinterest. NPCO actively tracks the engagement our Facebook posts receive, and the open rates of the emails we send out. Based on the impact of the post or newsletter, we tailor each to be more effective and engaging moving forward.
