Form 990, Part III, Line 4b:

Education - Continuing work on the design has refined indoor and outdoor spaces where educational programs can take place-phase one will include a covered terrace and arbor and the gathering green will provide tent space Interpretive signage will educate visitors about the botanical experiences presented and the inclusion of a wide variety of botanical collection beds and settings which make that educational element robust Summer day camps continue -- not only those run by the Garden but classes and activities by partner education groups The Alice Ott Middle Schools SUN program continues to engage nearly 20 youngsters in a yearlong learning program at our Childrens Garden Other classes from drawing to plant propagation were presented Education audiences were flat compared to the previous year--in part because our capacity is limited
