U.S. GAAP requires management to evaluate the tax positions taken and recognize a tax liability (or asset) if the School has taken an uncertain tax position that more likely than not would not be sustained upon examination by taxing authorities. Management has analyzed the tax positions taken and has concluded that as of June 30, 2017, there are no uncertain tax positions taken or expected to be taken that would require recognition of a tax liability (or asset) or disclosure in the financial statements. The School is subject to routine audits by taxing jurisdictions, however, there are currently no audits for any tax periods in progress or pending.
