The psycho-educational training program offers extensive training and supervision in diagnostic psychological testing of Children and adolescents enrolled in our OP therapy services programs demonstrate better management of the behavioral challenges which impact their ability to successfully function in school and in the community. Psychoeducational testing services are also available to identify learning differences and develop strategies to enhance the development of cognitive skills. Additionally, the Reiss Davis Graduate Program offers an advanced degree to support the development of professionals with expertise in managing emotional challenges of children across the developmental spectrum.

Form 990, Part III, Line 4b:

Vista's non-public school is accredited by the Western Association of Schools and Colleges (WASC) and serves children, pre-school through grade 12, who have struggled in other school settings. After assessing each child and creating a comprehensive Individualized Education Plan (IEP), we tailor each child's courses to address their special needs, while encouraging them to grow emotionally and academically. In addition to traditional coursework, students may participate in a number of therapeutic arts classes and other offerings that inspire confidence as well as providing incentive to stay in school. We maintain a low student-to-teacher ratio (3:1) and our educational and clinical staff create an atmosphere of success, taking into account the personal challenges of each child's life so that they can have a positive school experience. Approximately 65% of our students continue their education after graduating from Vista Del Mar, and our vocational skills and Workability programs help students develop employable work skills for those seeking employment. Our independent living skills program helps those students who are aging out of the foster care system to learn to live on their own.

Form 990, Part III, Line 4c:

Vista Del Mar provides a broad spectrum of community-based services for children, adolescents, young adults and families, including adoptions and foster home care, through our state-licensed, Hague-accredited private adoption agency. Supplemental Information

Return Reference	Explanation
Part V, Line 4	The primary long-term financial objective for Vista Del Mar's endowments is to preserve the real (inflation-adjusted) purchasing power of endowment assets and income after accounting for endowment spending, inflation and costs of portfolio management. Vista Del Mar's Board of Directors has approved a spending policy that will distribute a specific payout rate (5%) of the endowment base (calculated as the three-year average market value of endowment funds) to support Vista Del Mar's programs. Such a policy will allow for a greater predictability of spendable income for budgeting purposes and for gradual steady growth for the support of operations by the endowments. In addition, this policy will minimize the probability of invading the principal over the long term.
