Part X, Line 2	The organization is a nonprofit benefit corporation organized under the laws of California and, as such, is exempt from federal and state income taxes under section 501(c)(3) of the internal revenue code ("IRC") and corresponding state provisions. The organization has evaluated its tax positions and the certainty as to whether those positions will be sustained in the event of an audit by taxing authorities at the federal and state levels. The primary tax positions evaluated are related to the organization's continued qualification as a tax-exempt organization and whether there are unrelated business income activities conducted that would be taxable. Management has determined that all income tax positions are more likely than not of being sustained upon potential audit or examination, therefore, no disclosures of uncertain income tax positions are required.
