Part III Statement of Program Service AccomplishmentsCheck if Schedule O contains a response or note to any line in this Part III ☐**1** Briefly describe the organization's mission.

The mission of the Association is to promote the sport of curling in Charlotte, NC and the southern United States.

2 Did the organization undertake any significant program services during the year which were not listed on the prior Form 990 or 990-EZ? ☐ Yes ☒ No

If "Yes," describe these new services on Schedule O.

3 Did the organization cease conducting, or make significant changes in how it conducts, any program services? ☐ Yes ☒ No

If "Yes," describe these changes on Schedule O.

4 Describe the organization's program service accomplishments for each of its three largest program services, as measured by expenses. Section 501(c)(3) and 501(c)(4) organizations are required to report the amount of grants and allocations to others, the total expenses, and revenue, if any, for each program service reported.**4a** (Code:) (Expenses \$ 205,168 including grants of \$) (Revenue \$)

The Charlotte Curling Association sponsored curling leagues most nights of the week during the year ended August 31, 2017 to promote the sport of curling in the local market. The curling season began in September 2016 and remained active until early May 2017 when the ice in the facility was taken down for the summer months. It is not practical to split the program service expenses between programs because the expenses are primarily the operation of the dedicated ice facility which is used for all programs. Most program service expenses have been reported under the curling leagues since they comprise the substantial majority of the facility utilization. Membership dues are not included in program service revenues. This is why the largest program has the smallest revenue.

4b (Code:) (Expenses \$ 10,479 including grants of \$) (Revenue \$ 52,091)

The Charlotte Curling Association ran multiple curling tournaments (bonspiels) to promote the sport of curling in the local and regional market during the year ended August 31, 2017. Tournament sizes and lengths varied. The Association's largest tournament included 32 teams of four each and was conducted over a four-day period. As explained under 4a, most of the program service expenses have been reported under the curling leagues since they comprise the substantial majority of the facility utilization. Only expenses specific to the curling tournaments have been reported as program expenses herein.

4c (Code:) (Expenses \$ 23,081 including grants of \$) (Revenue \$ 98,533)

The Charlotte Curling Association conducts a number of training programs including recurring classes titled "Learn to Curl" where the general public can come and learn to play the sport of curling. The regularly scheduled classes offer individuals the opportunity to try their hand at curling. Additionally, larger groups can schedule a group Learn to Curl. During the year ended August 31, 2017 the club sponsored a skills camp where participants can improve their curling skills. As explained under 4a, most of the program service expenses have been reported under the curling leagues since they comprise the substantial majority of the facility utilization. Only expenses specific to the training programs have been reported as program expenses herein.

4d Other program services (Describe in Schedule O)

(Expenses \$ including grants of \$) (Revenue \$)

4e Total program service expenses **238,728**

Part V Supplemental Information

Provide additional information for responses to questions on Schedule L (see instructions).

Part II: On March 4, 2014 substantial contributor #1 loaned \$200,000 to the Charlotte Curling Association as a non-interest bearing loan to be repaid in 84 equal monthly installments of \$2,380.95 commencing November 1, 2024. The loan proceeds were used as repayment of leasehold improvement funds advanced by an organization affiliated with substantial contributor #2.

During calendar 2014, an affiliate of substantial contributor #2 constructed a building intended to serve as the long-term curling facility for the Association. The Association agreed to assume responsibility for \$650,000 of leasehold improvements relating to improvements unique to a curling facility. The affiliate entity advanced funding for the improvements concurrent with building the facility. The initial loan has been reduced to its current level through donations, the loan described above from substantial contributor #1 and proceeds of a \$200,000 loan from a third party. The loan by the third party has been secured by a bank certificate of deposit owned by substantial contributor #2. Interest on the \$650,000 loan is at the rate of 6% APR.

As of November 1, 2014, the Association executed a ten-year lease agreement with substantial contributor #2's affiliated entity at a monthly rental rate of \$5,500. The lease agreement includes an Association option to purchase the building at any time within the ten-year lease term. Both the Board of Directors of the Association and substantial contributor #2 believe that the lease rate, financing rate and purchase option were all executed on terms very favorable to the Association, at or below market rates for an organization without a substantial financial history.
