There are written internal controls for both this office and the chapters, but there are also state policies of interest and segregation of duties along with handling cash. The policies were developed for the organization in FY14 and each employee is aware of those policies.

Part VI, 19. All the information is available to the public.

Part XII, 2c. All financial statements and audit are shared and approved by the Board members, DESE employees and administration of the State of Missouri. The reports are shared with the chapters and public by request. The financial information is records on an off-the-shelf software and that was changed between fiscal years 2016 and 2017. A small prior year adjustment had to be made due to this change.
