Question 3 - Patient Education	The Hospital provides patients with information about the availability of financial assistance programs that are available through the State of Massachusetts or through the Hospital's own financial assistance program, which may cover all or some of their unpaid bill. For every patient that requires any kind of financial assistance, the Hospital has financial counselors available to assist low-income patients who do not have the ability to pay for their health care services. Such assistance takes into account each individual's ability to contribute to the cost of his or her care. Financial assistance programs include, but are not limited to, MassHealth, Commonwealth Care, Children's Medical Security Plan, The Healthy Start Program and Health Safety Net. Each patient requiring assistance completes an application through the Virtual Gateway (an internet portal designed by the Massachusetts Executive Office of Health & Human Services to provide

Form 990, Schedule H, Part VI, Question 5 - Community Health	In addition to the Hospital's community benefits programs, initiatives and activities as noted throughout Schedule H, NHC further promotes the health of the community by encouraging its managers and staff to actively participate in other not-for-profit community organizations, either as board members or supporters. The Hospital responsibly manages facility updates and technological improvements that enable NHC to provide the North Shore with convenient, safe and effective healthcare. The Hospital has a community board with members from the North Shore and surrounding areas, as well as an open medical staff, which allows local area physicians to apply for and receive hospital privileges. The Board of Trustees reviews and approves the Hospital's annual budget and determines estimated surplus funds to be invested back into the community (towards community needs assessments, hospital programs, health initiatives, etc.) Northeast Hospital Corporation has several community benefit services that promote the health of the communities the organization serves. These include health screenings, clinics and seminars developed for breast cancer, skin cancer, depression, diabetes, bone density, blood pressure, flu and CPR. In addition, risk assessments have been developed for cardiovascular disease, osteoporosis, diabetes, body mass index issues and breast cancer. A number of disease management initiatives have also been instituted including cardiac rehabilitation, heart failure management, pulmonary rehabilitation, osteoporosis management, vascular health and woman's health screenings. The Hospital also sponsors free support groups within the community for residents dealing with breast cancer, melanoma, prostate cancer, Alzheimer's, early stages of memory loss, post-partum depression, epilepsy and diabetes or who have experienced a stroke, infant loss or the loss of a family member.
