Global security program works to reduce some of the gravest threats to humanity - in particular, those posed by nuclear weapons and materials, their acquisition by terrorists, or accidents. We serve as an independent watchdog on a range of nuclear and weapons issues, combining technical analysis and policy expertise to improve nuclear power plants safety and reduce the threats posed by nuclear weapons. Legislative - Appearances before Congressional committees, as well as meeting with individual Congressmen and writing, printing, and mailing of legislative alerts to UCS sponsors. The Food and Environment program seeks to transform the U.S. food system in a healthier, more sustainable direction. We advocate for policy changes that will encourage American farmers to grow a wide range of healthy foods that will be available and affordable for all, instead of the commodity crops used in processed foods that are making Americans sick. Our policy recommendations will also help farmers abandon environmentally destructive industrial methods in favor of modern, science-based agroecological practices.

Form 990 (2016)

Form 990, Part III, Line 4a:

The Climate and Clean Energy program works to limit the magnitude and impacts of climate change and to accelerate the U S transformation to a sustainable clean energy economy By combining rigorous scientific and technical analysis with advocacy and outreach efforts, the program works to reduce global warming emissions, prevent the worst consequences of climate change from occurring, and help prepare communities for the unavoidable climate impacts that have already been set in motion

Form 990, Part III, Line 4b:

The Center for Science and Democracy endeavors to strengthen American democracy by advancing the essential role of science, evidence-based decision making, and constructive debate as a means to improve the health, security, and prosperity of all people. The Center produces original research and analysis and brings people together to discuss key issues such as ensuring public access to scientific information, keeping science free from distortion and manipulation by special interests, and promoting more effective use of science in policy making.

Form 990, Part III, Line 4c:

The Clean Vehicles program seeks to dramatically reduce U.S. oil use. We analyze advanced vehicle technologies, biofuels, and related oil-reduction strategies, and advocate for effective transportation solutions that create new jobs and industries, save consumers billions of dollars at the gas pump, improve air quality and reduce global warming.

Part V, Line 4	UCS uses the investment earnings of its endowment funds for the specific purposes designated by the donors including scientific research, new initiatives, activist and media outreach

Supplemental Information

Return Reference	Explanation
Part X, Line 2	UCS is recognized by the Internal Revenue Service as an organization described in Section 501(c)(3) of the Internal Revenue Code and is generally exempt from Federal and state income taxes on related income. Accordingly, no provision UCS for income taxes is made in the financial statements. UCS has determined that its status as a tax exempt entity and its determinations as to its income being related and unrelated are not uncertain tax positions within the meaning of generally accepted accounting principles for its open tax years. UCS's Federal and state income tax returns are generally open for examination for three years following the date filed.

Form 990, Part VI, Section B, line 11b	The completed 990 is reviewed and discussed by the Audit Committee of the Board prior to filing

990 Schedule O, Supplemental Information

Return Reference	Explanation
Form 990, Part VI, Section B, line 12c	Affected persons (staff and Board) complete and submit the conflict of interest statement on an annual basis at the beginning of each fiscal year. This does not obviate the need to disclose potential conflicts that may arise in the interim. All forms are reviewed by the Director of Finance and Administration. Any potential conflicts are reviewed by the UCS President who determines whether a conflict exists and is material. If a matter is material, the President will bring it to the attention of the Board Chair. If the UCS President has the conflict, he or she would disclose the matter to the Board Chair directly. Disclosure involving Board members is made to the Board Chair (or if the conflict involves the Board Chair, to the Board Treasurer) who brings these matters, if material, to the Board. The Board determines whether a conflict exists and is material, and in the presence of an existing material conflict, whether the contemplated transaction may be authorized as just, fair, and reasonable to UCS.

990 Schedule O, Supplemental Information

Return Reference	Explanation
Form 990, Part VI, Section B, line 15	The UCS policy is that the Finance Committee of the Board be informed of the performance based recommendations for salary for key employees in the context of market information and our merit increase system. The purpose of this policy is to provide transparency and compliance with various legal standards for non-profit management. The President's salary is set after an annual merit review, by the Chair of the Board in consultation with the Treasurer and/or other Board members, as the Chair sees fit. The salaries for other key employees are set, after the annual merit review, by the management team. All salaries are set in the context of market information and our merit increase system. All salaries of key employees are reviewed by the Compensation Committee of the Board.
