Return Reference	Explanation
Part V, Line 4 Intended uses of the endowment fund	The Miriam Hospital Foundation's (the Foundation, or TMHF) endowment funds have been established for a variety of purposes, including both donor-restricted endowment funds and funds designated by the Foundation to function as endowments. The Foundation's largest permanently restricted endowment generates income which is donor-designated to support The Miriam Hospital's (TMH) Emergency Department(ED). The Foundation maintains another large permanently restricted endowment fund, the income from which is donor-designated for the general use and purposes of the Department of Cardiology at TMH. Income from several of the Foundation's other notable permanently restricted endowments is for the general use and purposes of TMH, while others support: (1) education and research in TMH's Department of Medicine, (2) neuroscience research, (3) TMH's geriatrics program, (4) purchases of various types of medical equipment and beds, (5) physician international services, (6) work to find a cure for myelofibrosis, and (7) nursing scholarships. The largest temporarily restricted funds maintained by TMHF are used to support the Capital Campaign Building Fund at TMH and The Campaign for Excellence, which uses donations to support both ED renovations as well as a Procedural Care Unit (the Unit). The Unit is suited for cardiology and endoscopy patients treated at TMH and consists of 21 beds focusing on cardiac catheterization and electrophysiology. Other significant temporarily restricted funds of the Foundation sustain clinical shared chairs with The Warren Alpert Medical School of Brown University in geriatrics, cardiology, immunology, and oncology, as well as support the operational needs of TMH's ED. TMHF's unrestricted endowment supports spending priorities at TMH collaboratively established by the management of TMH and TMHF and approved by TMHF's Board, and also defrays the Foundation's fundraising expenses primarily incurred for services purchased from Lifespan Corporation.

Supplemental Information

Return Reference	Explanation
Part X FIN48 Footnote	The Foundation, as a not-for-profit corporation, is recognized under Section 501(c)(3) of the Internal Revenue Code and is exempt from Federal income taxes. The Foundation recognizes the effect of income tax positions only if those positions are more likely than not to be sustained. Recognized income tax positions are measured as the largest amount of benefit that is greater than fifty percent likely to be realized upon settlement. Changes in measurement are reflected in the period in which the change in judgment occurs. The Foundation did not recognize the effect of any income tax positions during the fiscal year ended September 30, 2017.

Return Reference	Explanation
Grantmaker's Description of How Grants are Used	The Foundation engages in philanthropic activities to support the mission and purposes of TMH, a related 501(c)(3) organization. During the fiscal year ended September 30, 2017, the Foundation made temporarily restricted net asset transfers to TMH amounting to \$3,393,222 to be spent by TMH in support of certain building and equipment additions or specified clinical programs. A master database of TMH's temporarily restricted funds is maintained as the primary source for identifying each fund's restriction, the availability of the current balance, and the authorized personnel for the respective fund. The database contains the fund's name, primary reporting department, most recent month end balance, fund purpose/restriction, and the management responsible for the fund. Expenditures (purchase requisitions, work order requisitions, check requests, and employee reimbursements) from TMH's temporarily restricted funds must be presented to the Lifespan Finance Department for approval prior to processing. Each request is reviewed to ensure the availability of funds and that the expense/purchase is both in conformity with the fund's restriction and approved by the required levels of authorized personnel referenced in the database. Additionally, the Foundation made grants from its unrestricted net assets to TMH totaling \$1,182,070 in fiscal year 2017 in support of spending priorities collaboratively established by the management of TMH and the Foundation and approved by the Foundation Board. The Foundation and Brown University (Brown) have several agreements pursuant to which each entity maintains endowment funds representing 50% of certain endowment gifts which support various clinical shared chairs. Each agreement specifies a spending rate which is applied to the trailing three-year average fair value of the applicable endowment funds to arrive at an amount used to support the named professorships. Payments distributing these amounts, which are made by the Foundation to Brown on a quarterly basis, totaled \$292,039 in fiscal 2017. Under the terms of the agreements, Brown is required to provide an annual accounting to the Foundation sixty days following the anniversary of each agreement. During the fiscal year ended September 30, 2017, the Foundation also transferred \$7,500 to Rhode Island Hospital to help support a Phase 1 clinical trial program on the medication Capecitabine and the effects of radiation on rectal cancer.

FORM 990, PART III, LINE 4a	Through its philanthropic activities, in fiscal year 2017 the Foundation transferred funds raised in the aggregate amount of \$2,516,492 to The Miriam Hospital (TMH) to support its operations and capital expenditures, which in turn benefits the Rhode Island community. Major program accomplishments included in transferred funds are as follows: The Foundation transferred \$394,284 to TMH to expand research and treatment for prostate, bladder and other genitourinary cancers at The Leonard and Adele R. Decof Family Comprehensive Cancer Center at The Miriam Hospital, part of the Lifespan Cancer Institute. \$343,813 was transferred to The Campaign for Excellence at TMH (the Campaign). This program is directed towards significantly renovating TMH's Emergency Department (ED) to provide the capacity, privacy, and efficiency that the community needs. These renovations have improved patient transportation, work flow, and collaboration among team members. The Campaign also involved building a Procedural Care Unit (the Unit) suited for cardiology and endoscopy patients treated at TMH. The Unit consists of 21 beds adjacent to the ED, focusing on cardiac catheterization and electrophysiology. Cardiac care has been enhanced, additional beds for inpatient care have become available, and faster admissions through the ED have been facilitated. Additionally in fiscal year 2017, philanthropy totaling \$296,657 was transferred to TMH to support its role in the Lifespan Cancer Institute (LCI), an innovative collaboration among TMH, Rhode Island Hospital, and Newport Hospital to provide coordinated and comprehensive care to cancer patients. LCI brings together experts from all three hospitals and thus offers patients leading-edge care and treatment close to where they live and work. \$194,644 was provided to the TMH's Emergency Department to be used for its operational needs. The Foundation also transferred \$152,677 to support TMH clinical services, research, and education in the treatment of pelvic floor disorders and \$100,213 to support TMH's purchase of a portable C-Arm fluoroscopy unit.
