990 Schedule H, Supplemental Information

Form and Line Reference	Explanation
FORM 990, SCHEDULE H, PART VI, Line 2	Needs Assessment The Stamford Hospital ("SH" "Hospital") partners with a number of nonprofit health and social services organizations that seek to benefit the community and improve the health and well-being of their clients. In addition, together with our physicians, the hospital works closely with the Stamford Department of Health and Social Services ("Stamford Health Dept ") to prevent and treat HIV, Stamford Cares, a program of Family Centers that provides HIV medical case management, includes participation in community health fairs and educational outreach efforts, provides HIV updates for aids service providers in the community, performs client home visits, and conducts monthly HIV positive women's support group. The Community Health Needs Assessment (CHNA) identified Access to Care, Mental Health & Substance Abuse and Chronic Disease Management and Lifestyle Behaviors as priority issues to address in the SH Community Health Improvement Plan (CHIP). SH, in partnership with its community partners, developed an improvement plan to address the health priorities identified through the 2016 CHNA. The CHIP task force works to combine its collective resources to bolster existing initiatives and to develop new programs. The committee meets quarterly. SH partners with Optimus Health Centers, a federally qualified health care center, to create an integrated primary care delivery network for the medically underserved communities in Stamford. Discounted or free supplies, equipment and medications were provided to indigent patients (\$32,000) in 2017. SH also provides an information and referral services (\$115,000) to enhance access to care. Community input and engagement to improve child health and prevent obesity is provided through a Stamford city-wide task force lead by SH. This community-wide collaboration focuses on prevention, advocacy and education is a city-wide collaboration that includes Stamford public schools, the Stamford Health Department, early childhood educators, after school programs and community centers, community pediatricians and family medicine practitioners. SH's Kids'Fans (kids' fitness and nutrition services) program, promoting physical activity and health conscious nutrition, is a cornerstone of this childhood obesity initiative. A major initiative of SH is the Vita Health & Wellness Initiative, which is focused on two census tracts (214 and 215) in Stamford's West Side. The Vita Collaborative brings together the key service providers monthly to develop programs to improve the environment and health outcomes of this primarily low-income population. The West Side Neighborhood Revitalization Zone (WSNRZ), seeks to improve the neighborhood at the hospital's southern border. The West Side, a densely populated, low-income neighborhood has experienced a steady decline in home ownership and lack of investment for more than three decades. Stamford Hospital and Charter Oak Communities (formerly Stamford Housing Authority), anchor institutions, work with residents, businesses and the city of Stamford to spur economic improvement and capital investments, reduce crime and improve pedestrian safety. To increase awareness of the importance of mammogram screening for early detection of breast cancer, SH sponsors Paint the Town Pink, a community-wide breast cancer education program. "Paint the town Pink" holds a month-long series of events in October of each year. SH partners with a number of nonprofit health and social services organizations that seek to benefit the community and improve the health and well-being of their clients. In addition, together with our physicians, the hospital works closely with the Stamford department of health and social services ("SHD") to disseminate health information and address public health issues that arise. In 2017, Stamford Hospital provided in-kind support to two major initiatives of the City of Stamford, the first, Stamford Invest Health, is focused on youth development and violence prevention, led by the Mayors office and funded by the Robert Wood Johnson Foundation. The result is a district-wide focus on school attendance. The second effort, Stamford Cradle2Career, is a collective-impact project funded in part by the United Way of Western Connecticut, focused on addressing the achievement gap in the Stamford Public Schools, SH provides management support (acting as co-chair) of the Community Task Force and membership on the Communications Committee. Senior leadership also participates in Advisory capacities.
