Part X FIN48 Footnote	<p>Masonicare accounts for uncertain tax positions in accordance with certain provisions of FASB ASC 740, which provides a framework for how companies should recognize, measure, present and disclose uncertain tax positions in their consolidated financial statements. Under FASB ASC 740, Masonicare may recognize the tax benefit from an uncertain tax position only if it is more likely than not that the tax position will be sustained on examination by the taxing authorities, based on the technical merits of the position. The tax benefits recognized in the consolidated financial statements from such position are measured based on the largest benefit that has a greater than 50% likelihood of being realized upon ultimate settlement. Masonicare did not record any unrecognized tax benefits for the years ended September 30, 2017 and 2016. Masonicare anticipates that it will not have a change in unrecognized tax benefits during the next twelve months that would have a material impact on the consolidated financial statements. All U.S. federal tax years from fiscal 2014 onwards are eligible for audit by the IRS.</p>
