Form 990 (2016)

Form 990, Part III, Line 4a:

Network Partner Support Expenditures in the area of Network Partner Support provide ongoing assistance to programs established as Teach For All network partners, to accelerate impact in the areas of scale, network impact and learning, alumni leadership, and organizational strength. Teach for All support for network partners focuses on four areas: identifying effective practices across the network, creating tools and resources, and advising partners in adapting these approaches to their individual contexts, facilitating direct connections for peer-to-peer learning and experience-sharing, accessing global knowledge and resources for the network, and contributing to the leadership development of network staff, alumni and participants. The focus and delivery method of support differs by partner needs and "life stage." Levels of support include direct support by representatives of the partner engagement team and functional area specialists, opportunities for leadership development and networking through conferences for partner staff, participants and alumni, and the generation and sharing of global funding, technology, public affairs opportunities, and staffing leads.

Form 990, Part III, Line 4b:

Early Stage Partner Support Expenditures for Early Stage Partner Support enable Teach For All to respond to interest from social entrepreneurs around the world and help to ensure that future partner organizations lay the necessary foundation to develop into effective and sustainable network partners. Teach For All staff work with social entrepreneurs to evaluate the feasibility of the model in their country's context, to develop and refine business plans, and to set up the organization for a successful launch by anticipating upcoming challenges. Additionally, TFALL assists in garnering financial and other support and connects existing and emerging partners with peer programs in their region.

FIN 48 Disclosure	Teach for all follows guidance that clarifies the accounting for uncertainty in tax positions taken or expected to be taken in a tax return, including issues relating to financial statement recognition and measurement. This standard provides that the tax effects from an uncertain tax position can be recognized in the financial statements only if the position is "more-likely-than-not" to be sustained if the position were to be challenged by a taxing authority. The standard also provides guidance on measurement, classification, interest and penalties, and disclosure, and its adoption had no material impact on the accompanying financial statements. Teach for all has processes presently in place to ensure the maintenance of its tax-exempt status, identify and report unrelated income, determine its filing and tax obligations in jurisdictions for which it has nexus, and identify and evaluate other matters that may be considered tax positions.
