PART I, LINE 2 PROCEDURES FOR MONITORING THE USE OF GRANT FUNDS	Prospective competitive grantee organizations are required to submit a letter of inquiry describing the purpose of the proposed grant, if the letter of inquiry is approved, the grantee is requested to submit a full proposal outlining the purpose of the grant, the population to be served, and the expected outcomes. The proposal is reviewed by staff to determine the merits of the proposal. The proposal and staffs evaluation is presented to the board of directors. If approved by the board, the proposal is funded. Upon approval by the board, the grant management office prepares grant award documents which include the purpose of the grant, the grant conditions and the grant payment schedule. The grantee accepts the grant by executing the grant award letter and returning the documents to The Chicago Community Trust. Payments are released based on the payment schedule provided that all grant conditions are met. At the conclusion of the grant period the grantee is required to submit a program and financial report describing the use of the grant and the outcomes. Donor Advised grant recommendations are submitted by the advisor of the Fund to the Trust. Grantee Organizations are carefully reviewed for 501(c)(3) status and other legal requirements by the staff of the Trust. Once this review is completed, recommended grants are reviewed and approved by authorized staff/board of The Chicago Community Trust.
