Our organization structure/policies and procedures manual requires a separation of duties for all incoming funds. Processing the mail, deposits of the funds, and recordkeeping duties are separate individuals. Also, the account payable process is separated as well. Mail processing, coding of payables, check writing, and check signing are all completed by different individuals. We also require two signatures on each check and require the Executive Director to approve each payment. The grant funds are separated into cost centers for each individual grant and incoming/outgoing funds are coded accordingly.
