Return Reference	Explanation
Part I, Line 2	The EducationQuest scholarship program funding is determined based on a formula that considers the financial need of their Nebraska student population. EducationQuest collects information from Nebraska colleges regarding PELL grant dollar volume and federally-insured loan volume over the past three years. At the conclusion of each year, the colleges provide supporting data to show how the awards were disbursed and compared to the total amount awarded to the college. EducationQuest Foundation reserves the right to conduct both a financial and compliance audit at the colleges that receive the scholarship funds to verify both the PELL grant and loan volume numbers provided, and to ensure disbursement of the awarded funds were made to eligible students, per the written guidelines. Colleges acknowledge that the audits can be conducted when they agree to participate in the program.
