990 Schedule H, Supplemental Information

Form and Line Reference	Explanation
Part I, Line 3c	Eligibility for financial assistance is determined by referencing the Financial Assistance Matrix, which is based on the Federal Poverty Guidelines for the most current year available as issued by the Department of Health and Human Services. Applicants are required to provide proof of income, such as unemployment, worker's compensation, social security, alimony/child support. They are also asked if they have Medicaid or any other third party insurance. Applicants claiming that they have no income are required to provide a letter of support from the individual providing the support for the patient. Additionally, applicants may provide letters of denial from insurance providers as support. Assets are also considered when deciding whether to grant financial assistance as the patient is required to provide copies of bank statements, certificates of deposit, money market account statements, etc.
Part I, Line 7	The cost of charity care is computed by multiplying the amount of gross patient charges written off during the fiscal year in accordance with the Hospital's financial assistance policy by an overall cost-to-charge ratio that is computed based on the methodology of "Worksheet 2" of the 990 Schedule H instructions.

990 Schedule H, Supplemental Information

Form and Line Reference	Explanation
Part III, Line 2	Bad debt expense was calculated by taking the bad debt write offs for 9/30/17 (based on gross charges) from the General Ledger. The total bad debt write offs were then multiplied by the overall cost-to-charge ratio of 35.82% calculated on Worksheet 2 of Schedule H. Discounts to patient accounts are recorded as contractual write-off's and not as bad debt. Therefore, the calculated bad debt expense does not include any portion of a patient's charges that were discounted.
Part III, Line 3	Estimate of facility bad debts whom may qualify for charity. This is estimated by calculating the charity write-offs as a percentage of total revenue and applying this percentage (71%) to the total bad debt write offs for the period. The resulting amount is then multiplied by the overall cost/charge ratio computed on Worksheet 2 of the 990 instructions.

990 Schedule H, Supplemental Information

Form and Line Reference	Explanation
Part III, Line 4	Wheeling Hospital, Inc. does not have separate audited financial statements, but the following footnote is included in the consolidated audited financial statements: The provision for bad debts is based upon management's assessment of historical and expected net collections considering business and economic conditions, trends in health care coverage, and other collection indicators. Periodically throughout the year, management assesses the adequacy of the allowance for uncollectible accounts based upon historical write-off experience by payor. The results of this review are then used to make modifications to the provision for bad debts to establish an appropriate allowance for uncollectible accounts. The provision for bad debts as a percentage of net patient revenues was 4.29% and 2.96% for the years ended September 30, 2017 and 2016, respectively. Provisions for bad debt include: 2017: Government and state provision \$0; Commercial, other, and self-pay \$16,121,670. 2016: Government and state provision \$0; Commercial, other, and self-pay \$10,408,036. The bad debt reflected on the financial statements is the gross amount of the accounts deemed uncollectible. This would be for accounts that have had no payment for 60 days and have had a minimum of five statements produced. Therefore, the bad debt amounts would be after any discounts or patient payments have been applied. The ratio from Worksheet 2 of the Schedule H instructions was used. This ratio was applied to the total bad debt expense included in net patient service revenue. The estimated amount of bad debt expense that could reasonably be attributable to patients who likely would qualify for financial assistance under the Hospital's Charity Care Policy was calculated by applying the percentage of charity care to gross patient revenue to the total bad debt expense at cost.
Part III, Line 8	The costs reflected in Line 6 are the allowable inpatient & outpatient costs from Worksheet D-1 and D, Pt V of the 9/30/17 CMS cost report. Approximately \$1.2M of the \$9.6M shortfall on Line 7 is treated as community benefit. Despite the fact that the program serves all elderly and disabled beneficiaries and could represent community benefit, the majority of the shortfall is not treated as community benefit. The \$1.2M treated as a community benefit is the Medicare shortfall relating to the interns' & residents' medical education program. The community benefit for the intern & resident program is reported on Line 7f (Health Professions Education) of Schedule H. Medicare costs of \$65.2M on Line 6 of Pt III, Section B, are obtained from worksheet D-1, D, and Pt V of the 9/30/17 Medicare Cost Report.

990 Schedule H, Supplemental Information

Form and Line Reference	Explanation

Part VI, Line 2	Wheeling Hospital, Inc engaged Arnett, Carbis, Toothman, PLLC to perform a formal needs assessment to assess the health care needs for the community that it serves This assessment was completed and dated September 2016 The primary tool utilized, throughout the year, to gauge the health care needs of the community are the numerous community education and healthscreening programs that the Hospital provides The community's attendance at these programs, as well as their comments on the benefits received fromthe programs, provide the Hospital with a barometer of the type of health care needs that are most prevalent in the community We can also monitor emerging trends in new/previously unknown needs through these programs Examples of some of the programs are blood pressure screenings, Men's Health Forum, health fairs throughout the service area, osteoporosis screenings and bone density screenings

990 Schedule H, Supplemental Information

Form and Line Reference	Explanation
Part VI, Line 3	If the patient has a scheduled procedure and has been pre-registered as self pay, they are directed to the financial counselor, where payment arrangements and discounts/charity are discussed, if applicable Self pay accounts over \$500 are screened by MedAssist, an offsite service for government program eligibility Once an account drops to billing, the credit/collection staff gets that account and research for other accounts, noting insurance or charity If nothing prior, the patient is called to discuss payment/charity as applicable
