Return Reference	Explanation
Form 990, Part VI, Line 12c Explanation of Monitoring and Enforcement of Conflicts	The corporation complies with the Department of Defense (DoD) Mandatory Disclosure Rules, including required disclosures to the DoD Inspector General, for (1) violations of federal criminal laws relating to fraud, conflicts of interest, bribery, and gratuities, (2) violations of the False Claims Act, and (3) misconduct in connection with the award, performance, or close out of government contracts. Employees must certify that they have read, understand, and will comply with the corporate practice as a condition of employment by signing a Certification of Compliance annually. Employees also certify to the corporation that he/she has no holdings or relationships that might constitute or appear to constitute a conflict of interest by responding to an on-line Conflict of Interest Certification. Employees must list the business and financial interest and relationships for those organizations identified on the corporation's Conflict of Interest Listing. Such certification is required annually or whenever a change in the individual's business or financial interest or relationships makes it appropriate. Employees may not retain any holdings in any organization with which he/she works on a day-to-day basis. The Office of the General Counsel issues, periodically, a list of organizations that includes principal associate contractors of the Air Force Space and Missile Systems Center and other U.S. Government organizations that interface with the company on a regular basis. This list is not all-inclusive, but helps to identify areas of possible conflict of interest. The Office of the General Counsel reviews all disclosure forms and advises management on any conflicts of interest. Management, after a disclosure review, decides either that some action must be taken or that no conflict exists and no further action is required. Management may determine that certain actions are required, such as a change in work assignment, divestiture in a conflicting interest, or the establishment of a "blind trust." Management's decisions in those matters are final. Certifications, disclosures, and subsequent decisions are made available to audit agencies and duly authorized persons on a need-to-know basis as approved by management.

990 Schedule O, Supplemental Information

Return Reference	Explanation
Form 990, Part VI, Line 15b Compensation Review and Approval Process for Officers and Key Employees	The Aerospace Corporation plays a critical role in assuring mission success for National Security Space programs, which are a \$50 billion enterprise on an annual basis. Aerospace's senior executives are highly experienced leaders in their technical fields with enormous accountability in performing this vital mission assurance role. Their compensation is reviewed and approved annually by the corporation's Board of Trustees, whose members include leaders with experience in government, the military, and private industry. The Compensation and Personnel Committee (the "Committee") of the Board of Trustees (the "Board") discharges the Board's responsibilities relating to compensation of the President and CEO, and other executive officers, including approving, individually, the compensation of each such officer. The Committee reviews and recommends to the Board compensation plans, pension and benefit programs for employees generally, and to review all modifications to such plans other than such modifications specifically delegated by the Board to management from time to time. The Board of Trustees has established an annual bonus and incentive compensation plan for corporate officers and general managers based on corporate and individual goals established at the beginning of each fiscal year. At the end of each fiscal year, the Committee reviews corporate and individual performance and recommends to the Board the amount of bonus and incentive compensation, if any, to be paid for the prior year's performance. Bonus payments must be approved by the Board. These amounts are included in Bonus & incentive compensation on Schedule J, Part II, column (B)(ii). The Committee reviews the Board of Trustees compensation. The Committee meets not less frequently than twice each year to coincide with the annual and semiannual meetings of the Board and at other times to coincide with regular meetings of the board. The Committee may request that members of management or outside consultants and advisors of the Committee be present to assist the Committee in performing its duties. A written report of the actions taken at each meeting will be kept filed with the proceedings of the meetings of the full Board. The Committee process above was last undertaken for Fiscal Year 2017.
