Hospice and palliative care services in Nepal - We revised our current model of partnership for hospice and palliative care program in Nepal to ensure accountability and to maximize impact for the amount of resources used. Under this new partnership, we provided online hospice and palliative care training to one physician who, after completing his training in July 2017, started providing hospice and palliative care services to patients in Janakpur, Nepal. Five patients and their families had received services by the end of October 2017.
