Form 990 (2016)

Form 990, Part III, Line 4a:

OPERATION OF HOMES FOR THE ELDERLY (ADULT RESIDENTIAL SERVICE) Masonic Homes follows an "Aging in Place" approach to care and services. This means we try to bring needed services to residents instead of having them go to the services. Residents enjoy the security of knowing that multiple levels of care will be available to them on the same campus. The Masonic Homes of California offer the following levels of service - Independent Living - Residents who qualify for Independent Living are able to provide all of their own care, even though some use walkers or canes. - Assisted Living - Residents are able to live independently while receiving assistance with activities of daily living, such as bathing, taking medications and dressing. - Skilled Nursing - The medical facility at Union City makes around-the-clock nursing and custodial care available to residents. Residents of Covina receive this level of care in facilities of community partners or on the Union City campus, depending upon their choices. - Memory Care - A 16-bed secure unit named Traditions is located on the Union City campus. It allows staff to provide optimal care and a protective environment for the residents. - Hospice - Both Homes in Union City and Covina offer a hospice program intended for residents who are suffering from a terminal illness or are in need of pain management. Hospice allows residents to stay in their own homes as long as possible.

Form 990, Part III, Line 4b:

MASONIC OUTREACH PROGRAM Masonic Homes of California knows that many of our constituents prefer to live out their lives in their own homes or home communities. Yet many need help coping with the challenges and issues associated with aging. In response, the Masonic Homes of California has expanded the Masonic Outreach Services (MOS) program to better meet the needs of our elderly constituents who wish to remain in their own home or community. Masonic Homes' goal is to provide our fraternal family members access to the services and resources they need to stay healthy and safe in their own homes or in retirement facilities in their home communities. Masonic Outreach Services include - Ongoing financial and care support for those with demonstrated need, Interim financial and care support for those on the waiting list for the Masonic Homes of California. Information and referrals to community-based senior providers across California. Some clients need help identifying appropriate service providers in their area, others need help developing a comprehensive care plan that addresses their physical, emotional and financial needs. MOS tailors its services to the needs of the client. For those clients who need financial assistance, a care plan and budget is developed that supports their physical, emotional and social wellbeing. The amount of support clients receive is determined by their needs. As needs change, so does the amount of support. MOS also provides financial and care management support to those with immediate and pressing needs who are on the waiting list for the Masonic Homes of California. We know waiting can be difficult when your needs are urgent.

Form 990, Part III, Line 4c:

Masonic Center for Youth and Families is a place where young people who struggle with behavioral, learning, and psychological problems can unlock their full potential. We help young people find their voices and then themselves. The mission of this program is to offer mental health services by our patient's needs rather than by artificially-imposed limitations, and to add our voice and experience to the public debate about effective assessment and treatment of children with behavioral and mental health issues.

Part X, Line 2	On July 1, 2008, the Organization adopted ASC 740, Income Taxes. This statement is effective for fiscal years beginning after December 15, 2006. The interpretation establishes a single model to address accounting for uncertainty in income tax positions. It prescribes a minimum recognition threshold that an income tax position is required to meet before being recognized in the consolidated financial statements. To recognize the position, the filing position would be sustained upon examination. The interpretation also provides guidance on derecognition, measurement, classification, interest and penalties, accounting in interim periods, disclosure, and transition of uncertain tax positions. There was no impact as a result of adopting the provisions of ASC 740.

Return Reference	Explanation
Part I, Line 2	Grant funds are monitored by the board, the appropriate committees and key employees of the organization. The board and the appropriate committees set guidelines on how funds are used. For MOS client - a care plan and budget is developed that supports their physical, emotional and social well-being. The amount of support clients receive is determined by their needs. As needs change, so does the amount of support. Following are the MOS procedures. Clients become financial client of the MOS program when they do not have enough income to sustain their daily cost of living, which is "need based and they do not have more that \$2,000 in liquid assets. If they own a home, MH takes over the deed of their property or ownership of policies (life insurance, etc). The application for financial assistance is initially approved by the Admissions Committee. Each year the client goes through a recertification process in which they need to produce new bank statements, financial records, etc and their budget is verified. The case manager recommends any changes to the budget to the MOS Manager. The Manager then forwards to the Director for final approval. Every budget increase/decrease is reported in a summary report to the full Board of Trustees on a quarterly basis. The original documentation that includes bank statements, budget calculations, receipts are kept in the client file. All changes to the budget are substantiated with back-up documentation (e.g., documents showing rent increases, etc). Each year the client produces new documentation during their recertification process. The client's monthly budget and care plans are reviewed each month by the Manager and the Director of the program.
