Form 990 (2017)

Form 990, Part III, Line 4a:

State Consumer Health Advocacy Program (SCHAP) works in more than 40 states to build consumer leadership and a strong, organized consumer voice to shape health policy at the federal, state and local levels. Community Catalyst manages and provides (with assistance from national partners) comprehensive technical assistance to states involved in the SCHAP program, including policy, communications, evaluation and capacity-building support. SCHAP consists of three main initiatives: Southern Health Partners Project, Protect Our Care Campaign, and the Expanding Coverage Through Consumer Assistance Program. Southern Health Partners, established in 2008, builds and strengthens the capacity of state-based consumer organizations that represent the needs and concerns of the uninsured, underinsured, and members of vulnerable populations. The Protect Our Care campaign began in 2016 in response to congressional efforts to repeal the Affordable Care Act and cut Medicaid. As part of a Protect Our Care coalition, Community Catalyst works with a wide array of national and state-based organizations to ensure the public understand the damage that repeal of the ACA and harmful changes to the Medicaid program would cause, and to protect both programs. The Expanding Coverage through Consumer Assistance program (ECTCA) is part of the Missouri Foundation of Health's Expanding Coverage Initiative, which is working to reduce the number of uninsured people in Missouri to less than 5 percent in five years.

Form 990, Part III, Line 4b:

The Center for Consumer Engagement in Health Innovation works directly with advocates to increase the skills and power they have to establish a permanent and effective voice for consumers, particularly those with complex health and social needs. Collaborating with health plans, hospitals and providers, the Center seeks to incorporate the consumer experience into the design of systems of care. The Center also works with state and federal policymakers to make systems more responsive to consumers by expanding best practices that have shown positive impact in communities and by bringing new policies to fruition that reduce inequities and improve health.

Form 990, Part III, Line 4c:

The Substance Use Disorders program works to improve care for substance use disorders and further integrate them into the existing health care delivery system. At the state level, Community catalyst works with local advocates to improve coverage, access and treatment. Federal work centers on the implementation of the Affordable Care Act, parity for substance use disorders, and protecting funding for the safety-net and addiction programs.
