990 Schedule O, Supplemental Information

Return Reference	Explanation
Form 990, Part III, Line 2	When adding activities, discontinuing activities, and, annually, the Python Software Foundation's management reviews and analyzes the activity against the approved tax-exempt mission. If any activity is deemed not to fit into the tax-exempt mission, it is documented, discussed with the Board of Directors and disclosed on Form 990. For the tax year ended December 31, 2017, all activities fit into the Python Software Foundation's approved tax-exempt mission.

990 Schedule O, Supplemental Information

Return Reference	Explanation
Form 990, Part VI, Section A, Line 4	The Python Software Foundation changed the method and frequency of annual Board of Directors elections. First, the Board of Directors was split into three classes with staggered terms to avoid excessive turnover, instead of every Board member being up for election each year, only one class, or one-third, of Board members are up for election each year. Second, an additional "at-large" Director position was added due to a tie vote, bringing the total "at-large" Directors to 12 from 11. Third, two "Officer Director" positions were created. The original Officer Directors will correspond to the offices of Director of Operations and General Counsel. Under this proposed change, Officer Directors are subject to an initial vote during the current cycle. Fourth, Officer Director may be removed if they a) fail an approval vote, held on at least the same schedule as class A directors, b) leave the office associated with the officer director position, or c) fail a no-confidence vote by the at-large directors. Fourth, the by-laws now explicitly delegate the ability to set compensation for the Board of Directors.
