Supplemental Information

Return Reference	Explanation
Part X, Line 2	The Foundation is exempt from federal income taxes under Section 501(c)(3) of the IRC and applicable state law. The accounting standard on accounting for uncertainty in income taxes addresses the determination of whether tax benefits claimed or expected to be claimed on a tax return should be recorded in the financial statements. Under this guidance, the Foundation may recognize the tax benefit from an uncertain tax position only if it is more likely than not that the tax position will be sustained on examination by tax authorities based on the technical merits of the position. Examples of tax positions include the tax exempt status of the Foundation. The tax benefits recognized in the financial statements from such positions are measured based on the largest benefit that has a greater than 50% likelihood of being realized upon ultimate settlement. There were no unrecognized tax benefits identified as liabilities for the year ending December 31, 2017. The Foundation is required to file Form 990, Return of Organization Exempt From Income Tax which is subject to examination by the IRS up to 3 years from the extended due date of the return. The Foundation is generally no longer subject to examination by the IRS for years before 2014.
