Part XVI-B Relationship of Activities to the Accomplishment of Exempt Purposes

Line No.	Explain below how each activity for which income is reported in column (e) of Part XVI-A contributed importantly to the accomplishment of the foundation's exempt purposes (other than by providing funds for such purposes). (See instructions)
1	<p>Operation of the Easton Hotel: The amount reported on line 1 equals the gross revenues received from one of the Foundation's program-related activities, restoring and operating a formerly abandoned historic hotel in Easton, PA. The Foundation's restoration and adaptive use of the formerly abandoned building is contributing to the urban revitalization of the city of Easton, building community and attracting commerce, which in turn promotes sustainability in the way the people of the Lehigh Valley use urban resources and encourages preservation of the surrounding countryside. (NOTE: The cost of the renovation and operation of the property far exceeds the revenues received.)</p>
8	<p>Sale of Posters and Prints related to NNF's mission: NNF makes available for sale signed prints of various artworks that relate to and further the mission of the nonprofit. These include prints commemorating Christo and Jeanne Claude's "The Gates" in Central Park, which help raise public awareness of the importance of protecting nature and finding environmental solutions for New York by bringing attention to that important work of public art which highlighted the beauty and value of Central Park as a natural asset. Also included in the print collection for sale are works by the famed artist Robert Rauschenberg touching on important environmentally related issues, such as the Earth Summit and mass transit, and a work by Alexis Rockman showing the future effects of climate change.</p>
