GIVEBACK INITIATIVE Impact launched its GiveBack Initiative in 2006 to inspire donors to substantially increase and improve the impact of their giving of time, talent, and treasure in North Dakota and western Minnesota communities. Grants from Dakota Medical Foundation, Alex Stern Family Foundation, Bush Foundation and various individual and corporate contributions have provided the funding for this Initiative. Initiative strategies have focused on education and training for nonprofit organizations to become highly proficient fundraisers and to be more operationally efficient and effective. The initiative has created new ways of thinking and new approaches surrounding wealth transfer and volunteerism in North Dakota and Minnesota North Dakota Wealth Transfer. The Foundations initially commissioned and funded a North Dakota wealth transfer study in 2005 conducted by the Center on Wealth and Philanthropy at Boston College in Boston, Massachusetts. Impact has distributed the North Dakota Wealth Transfer Study to donors, community leaders, nonprofit organizations, attorneys, accountants, financial advisors, bank, and trust personnel in several North Dakota communities. Another North Dakota Wealth Transfer Report was commissioned by the Foundation in 2011, "Endless Possibilities on the Prairie: Unleashing North Dakota's Great Potential" 2007-2061, and associated data entitled "Communities with Possibilities." This study concluded that through 2061 North Dakota households will give over \$95 billion to charity and pay an estimated \$39 billion in estate taxes. The supplement to Endless Possibilities is the first ever county level analysis of North Dakota wealth transfer. In 2012, Impact produced two educational videos about the North Dakota Wealth Transfer and the U.S. Wealth Transfer. The initiative's purpose is to provide valuable information to nonprofit organizations so that they can develop their fundraising to individuals, who provide an estimated eighty percent of the funding to U.S. nonprofits through private gifts. Regional Philanthropy Study Impact commissioned the Regional High Impact Philanthropy Study in 2016 to gain a clearer view of why people in the region give money and time, how much they give, what motivates them, and several other issues related to philanthropy, estate planning and charitable contributions in the Fargo-Moorhead area. Dakota Medical Foundation and Alex Stern Family Foundation funded the effort. A team of North Dakota State University and University of North Dakota researchers developed and conducted the study. The philanthropy study complements "Endless Possibilities on the Prairie: Unleashing North Dakota's Great Potential," which provided an overview of wealth transfer and projected wealth transfer in North Dakota from 2007 to 2061. The philanthropy study data will help area charities strategically position themselves to be part of this projected wealth transfer and give donors more information about how they can deepen the impacts of their gifts. Impact will incorporate information and insights gained through the study into training materials and future training sessions with regional charities GiveBack Website. The website (www.impactgiveback.org) is designed to provide a one-stop information resource for donors to conveniently locate, review, volunteer and make contributions to over 500 nonprofit organizations in the region. Qualified nonprofit organizations in North Dakota and northwestern Minnesota are encouraged to place their organizational information on the website to easily connect with donors of time, talent and treasure. Donors are able to research and identify their favorite nonprofit organizations and to make contributions directly online using their credit card. Nonprofit organizations are able to utilize the website to receive contributions and promote their organization. Significant efforts and commitments have been made by Impact to enhance the website in order to better connect donors with nonprofit organizations that fit the donor's charitable goals. Since its 2007 implementation, the online giving website has processed \$22.1 million for its partner nonprofits. Impact implemented a Volunteer Initiative in 2007 designed to help nonprofit organizations more effectively recruit, train, manage and retain volunteers. The GiveBack website, www.impactgiveback.org, includes a Volunteer page that provides the capability for nonprofit organizations to list their volunteer opportunities. Impact partnered with FirstLink, an unrelated 501(c)(3) organization, to connect volunteers with opportunities to serve. Giving Hearts Day Initiative (GHD) Initiative. Impact partnered with Dakota Medical Foundation (DMF) to establish the GHD Initiative to build the fundraising capabilities of nonprofit organizations and promote charitable giving in the region. The online giving environment improves efficiency to raise funds for nonprofit programs serving the region. The online giving website at www.impactgiveback.org is used to promote the annual DMF Giving Hearts Day each February and provides donors with an easy-to-use website to make online contributions to almost 400 of their favorite North Dakota and Minnesota charitable organizations throughout the year. Since implementation in 2008, the GHD Initiative has generated over 180,000 contributions for community nonprofit organizations totaling over \$31.3 million. DMF provided over \$4.3 million in matching funds and incentive grants for participating organizations since inception of this initiative. The Giving Hearts Day event held in February 2017 generated 63,635 donations for 360 charitable causes totaling over \$10.2 million in a 24-hour period. The participating nonprofit organizations obtained additional matching funds prior to the event. During 2017, Dakota Medical Foundation provided \$425,000 in matching fund and incentive award grants to participating nonprofit organizations.

Form 990 (2017)

Form 990, Part III, Line 4a:

ORGANIZATIONAL EFFECTIVENESS Impact and its supporting organization, Achievements Unlimited Foundation, (the "Foundations") recognize that many nonprofit organizations often lack expertise and financial resources to invest in organizational assessments, strategic planning and highly effective fundraising training which will ensure their organization's effectiveness and long-term sustainability. The Foundations partnered with Dakota Medical Foundation through the Impact Institute (Institute) to provide support, education, training, and coaching sessions for nonprofit partner organizations. Since inception in 2005, more than 5,300 nonprofit executives and directors from over 480 nonprofit organizations have trained in Institute leadership and fundraising concepts. Nonprofit Board and Management Training. Training boards and key management personnel to operate their organizations in a highly effective and efficient manner is a key education focus for the Foundations. The Foundations have encouraged many area nonprofit organizations to attend the Institute's education and training programs. In 2017, the Institute's education and training programs helped equip charity organizations to solve complex community challenges through our training and coaching. We were able to train over 300 organizations, particularly in fundraising. Many continued their professional development in the fundraising curriculum and a coaching program titled FundingLogic(TM) that was developed to build a mastery of fundraising and leadership. A study of 67 nonprofit organizations that have participated in fundraising training since inception showed that their public support on Giving Hearts Day increased over a five year period from \$2.53 million in 2013 to \$5.2 million in donations in 2017. Grant Writing Services. Since 2005, the Foundations have supported grant writing assistance for health-related nonprofit organizations to generate additional financial resources for their programs. Since the formal addition of grant writing assistance, the Foundations and other regional nonprofit organizations have secured over \$27.5 million in grant funding.

Form 990, Part III, Line 4b:

ECONOMIC DEVELOPMENTThe Foundations support the economic development of North Dakota communities by initiating and funding various initiatives directed at assisting small businesses located in North Dakota. In 2006, Impact, in partnership with Dakota Business Lending (DBL) (formerly Dakota Certified Development Corporation), established a Procurement Assistance Center (PAC) to provide research, technical assistance, and training to North Dakota small businesses assisting them in securing federal and state government contracts for their goods and services. In 2012, Impact renamed the PAC as a Procurement Technical Assistance Center (PTAC) and was provided funding by the Defense Logistics Agency (DLA), the North Dakota Department of Commerce (NDDC) and DBL. Technical assistance was provided to over 100 North Dakota businesses in 2017. Since inception, clients of Impact PTAC have obtained contracts totaling over \$266 million of which approximately \$127 million were Native American business contract dollars. It is estimated that 1,066 North Dakota jobs have been retained and/or created through the efforts of the Impact PTAC. Impact PTAC programming was transferred to the North Dakota Department of Commerce effective October 1, 2017. In 2007, Impact entered into a 30-year \$750,000 loan commitment with the USDA Office of Rural Development under its Intermediary Relending Loan Program (IRP). Impact committed an equity contribution of \$187,500 creating a total loan pool of \$937,500 available to qualifying North Dakota businesses at low interest rates. Dakota Business Lending (DBL) (formerly Dakota Certified Development Corporation) provided a grant to Impact to meet the equity requirement under the terms of the USDA loan. DBL manages the day-to-day operations of the IRP under an agreement with Impact. Since inception, Impact has provided nine (9) loans to small businesses in rural communities totaling over \$916,942. As of December 31, 2017, Impact had six (6) loans outstanding with a total IRP Loans Receivable balance of \$342,833 (net of allowance for doubtful accounts of \$28,125) included in Part X, Line 13, Investments - Program Related and Schedule D Part VIII.

Form 990, Part III, Line 4c:

COMMUNITY SUPPORT Impact provides grants to support community events, statewide nonprofit organizations and other societal improvement initiatives. Grants were provided for these purposes from established Impact charitable funds and from other grants and donor contributions received by the Foundations. Impact provided funding to restock the food shelter of the Great Plains Food Bank through support of the local Fill-the-Dome program. The Foundations have given back to North Dakota communities impacted by natural disasters. Impact stands ready to provide financial support in the event of future natural disasters by helping to coordinate fundraising efforts in North Dakota. Impact established and maintains a Clubs For Kids Initiative that promotes community youth golf programs by providing clubs, practice and play opportunities to those unable to afford the cost of participation. Fiscal Project Sponsorships (FPS). When aligned with Impact's mission, the Foundation provides fiscal sponsorship arrangements to community organizations desiring to obtain financial or other support for their charitable projects through grants, or to receive tax-deductible donations from individuals and other contributors through the sponsor. Sponsorship arrangements may range from a project or organization being included completely under Impact's 501(c)(3) umbrella to assistance to an organization establishing their own separate 501(c)(3) organization. Longspur Prairie Fund (Longspur) (FPS). Longspur facilitates three types of projects in western Minnesota including: (1) prairie and wetland restoration involving the planting of marginal farmland with native grasses, forbs, and aquascapes in and around the Red River Valley, (2) support scholarship, education, and research in the arts and sciences directly connected to the area's wildlife, ecology, and agriculture, and (3) develop voluntary habitat adoption strategies in partnership with local farms, businesses, churches, and industries that are passionate about preserving the natural legacy of the region. Longspur is under contract with the Natural Resources Conservation Service (NRCS) to implement specific conservation practices. These practice costs are reimbursable on a cost share basis from the NRCS (75%) and the State of Minnesota's Re-invest in Minnesota (RIM) program (25%). During 2017, Longspur incurred no costs in land reclamation or other costs related to this contract. Women's Impact (FPS) works to create opportunities for women to connect and empower each other to make a positive impact in their lives, families and communities. The website (www.womensimpact.org) is developed as an inspiring and supportive online community for women to connect and make an impact in each other's lives. Financial Literacy Initiative (FPS) - Provides financial literacy training to those who may not otherwise have access to such information through education regarding budgeting, home buying, insurance, investing, retirement planning and estate planning. Established in 2017. The Great North Pole (FPS) Helps families in financial hardship by leveraging national business relationships through local community partnerships - making financial gifts turn into retail goods that multiplies the original donation many times over (6.5 times in 2017). This FPS became a 501(c)(3) effective December 2017. Badges of Unity (FPS) - Works to unite all community members through building trusting relationships with at-risk youth and partnering with others to ensure a bright future for all. This FPS works to strengthen current programs by connecting youth to after school activities in their neighborhood and developing new non-traditional after-school activities. This FPS includes a 6-week academy where youth "job shadow" police officers and also hosts " Fargo United " events in local parks with food, music and positive interactions with law enforcement. Other Community Support. LevelUp Fargo is a community collaborative movement (Coalition) made up of a dynamic and significant group of key stakeholders that engage members across numerous sectors to address the need to prevent substance abuse among youth and to create a healthier environment for them. The Coalition was formed in August of 2015, and a grant application was submitted to The Substance Abuse And Mental Health Services Administration (SAMHSA) in March 2016. On August 31, 2016, LevelUp Fargo was awarded a 5-year, \$625,000 grant from SAMHSA (\$125,000 a year for five years) with the opportunity to apply for five additional years at \$125,000 per year. The Coalition submitted a 12 Month Action Plan to SAMHSA which was approved and is being followed. LevelUp Fargo and a marketing firm is working with the Fargo Public Schools to create a new survey instrument which will help to identify connectedness within youth. After the survey results are analyzed, additional information within the community affecting youth will be gathered and added to the survey findings. All of this information will be condensed into a user-friendly report on the status of youth in the Fargo community. This report will be widely disseminated throughout the community and a Blueprint Guidebook will be created to support youth needs. Red River Children's Advocacy Center (RRCAC). During 2017, Impact provided back office support to the RRCAC through processing their weekly accounts payables, biweekly payroll management, general ledger maintenance, periodic financial statements reporting, and coordinating the preparation of their annual Form 990. Veteran Emergency Charitable Fund. Support Our Veterans (SOV) Fund was established at Impact to receive charitable contributions from donors to support the emergent needs of North Dakota veterans and their eligible dependents not covered under current federal or state programs. Since inception the fund has generated over \$283,658 in contributions and provided assistance to over 125 qualified veteran families.
