Return Reference	Explanation
Pt I Line 2	Possibilities Africa (hereafter PA) requires all grantees to prepare a pre-grant inquiry application to provide detailed information about the grantee's legal status, its operations /staff, and the purposes of the proposed grant project. The parties then enter into an international grant agreement to govern the use of the grant funds by the grantee. The agreement requires grantee to maintain the funds in a segregated account and sets forth specified projects to be conducted in accordance with the agreement. Following execution of the agreement, the grantee submits a proposed budget for the grant project for the year which is reviewed and approved by the PA board. The grantee is then required to submit regular financial and program reporting (quarterly and annual) with photos to PA for board review. PA then conducts yearly site visits to monitor the progress and use of the grant funds by grantee and also continually reviews and researches grantee organizations in accordance with anti-terrorism recommendations by the U S Treasury.
