Part III Statement of Program Service AccomplishmentsCheck if Schedule O contains a response or note to any line in this Part III ☒**1** Briefly describe the organization's mission:

The Quaglia Institute for Student Aspirations works with thousands of disadvantaged students in rural and urban areas across the country. Our goals are to help the students in rural and urban areas across the country. Schools report that students are more engaged, ask more questions, and become leaders with our help and intervention. We encourage students to become involved in school and their community. We give teachers guides and resources to thousands of schools which often are unable to afford professional development materials. Teacher engagement and passion is increased through our work. We conduct district wide keynotes and parent presentations, often at no cost. Through our work with parents, we see parents' fears and apprehension around school diminish. Throughout the past year, we have been able to engage well over twenty thousand educators at regional and national workshops and conferences, directly impacting over 75,000 students, 50,000 teachers, and 10,000 administrators.
