Part III Statement of Program Service Accomplishments

Check if Schedule O contains a response or note to any line in this Part III Yes No

- 1 Briefly describe the organization's mission:
To provide and facilitate access to objective, accurate, and non-judgmental information about psychoactive plants, chemicals, drugs, technologies, and related issues that affect the mind, body, and culture. Erowid Center supports and trains libraries, publishers, and other information distributors on issues related to our field. Further, it is Erowid Center's goal to support medical, legal, scientific, academic, and independent experts in developing and publishing related resources.
- 2 Did the organization undertake any significant program services during the year which were not listed on the prior Form 990 or 990-EZ? Yes No
If "Yes," describe these new services on Schedule O.
- 3 Did the organization cease conducting, or make significant changes in how it conducts, any program services? Yes No
If "Yes," describe these changes on Schedule O.
- 4 Describe the organization's program service accomplishments for each of its three largest program services, as measured by expenses. Section 501(c)(3) and 501(c)(4) organizations are required to report the amount of grants and allocations to others, the total expenses, and revenue, if any, for each program service reported.

4a (Code:) (Expenses \$ 74,513 including grants of \$ 0) (Revenue \$ 38,900)

1. DrugsData / EcstasyData Lab Testing

Erowid Center runs a laboratory testing program that analyzes the contents of ecstasy tablets, pharmaceuticals, novel psychoactive substances (NPS), research chemicals, and other street drugs. Members of the public submit samples to a DEA-licensed laboratory and the results are published online at DrugsData.org and EcstasyData.org. The purpose of the project is to collect, manage, review, and present laboratory testing results, including those from other US and international organizations. The information is made publicly available to help harm-reduction efforts, medical personnel, researchers and the public. In 2017, 434 samples were tested through the project. These results were published along with results for an additional 410 samples tested by other organizations. An average of 5,955 people viewed these testing results online each day.

4b (Code:) (Expenses \$ 60,854 including grants of \$ 0) (Revenue \$ 0)

2. Public Online Information Services

Erowid Center developed, maintained, and provided free access to an online collection of more than 78,000 documents, images, and other media files related to psychoactive plants and drugs. More than 16 million people accessed the information in this online archive in 2017. The collection contains essays and articles authored by a broad spectrum of contributors including health care professionals, substance abuse counselors, toxicologists, chemists, therapists, law enforcement agents, lawyers, anthropologists, writers, media, educators, and the general public. Note that our Experience Report project is tracked as a separate program service.

4c (Code:) (Expenses \$ 41,152 including grants of \$ 0) (Revenue \$ 3,587)

3. Events & Conferences

Erowid Center conducts educational outreach in person with the general public at conferences, seminars, and festivals. In 2017, Erowid sent representatives to six events. Among others events, Erowid staff presented at the California Institute of Integral Studies, "Psychedelic Science" in Oakland, Stanford Research Institute's "Technology and Consciousness", and the "Oregon Eclipse" festival. Presentations covered recent drug trends, novel psychoactive substances, electroceuticals, the nature of consciousness and consciousness altering, and the experiences that people seek and have while using psychedelics and other psychoactive drugs. At all events, we also met with supporters, members, and experts to discuss issues related to psychoactive drug education.

4d Other program services (Describe in Schedule O.)
(Expenses \$ 129,942 including grants of \$ 0) (Revenue \$ 15,757)

4e Total program service expenses ▶ 306,461

b Did the organization have any excess business holdings in the tax year? <i>(Use Schedule C, Form 4720, to determine whether the organization had excess business holdings.)</i>	<input type="checkbox"/>	<input type="checkbox"/>

Part IV Supporting Organizations (continued)

	Yes	No
11 Has the organization accepted a gift or contribution from any of the following persons?		
a A person who directly or indirectly controls, either alone or together with persons described in (b) and (c) below, the governing body of a supported organization?		
b A family member of a person described in (a) above?		
c A 35% controlled entity of a person described in (a) or (b) above? If "Yes" to a, b, or c, provide detail in Part VI.		

Section B. Type I Supporting Organizations

	Yes	No
1 Did the directors, trustees, or membership of one or more supported organizations have the power to regularly appoint or elect at least a majority of the organization's directors or trustees at all times during the tax year? If "No," describe in Part VI how the supported organization(s) effectively operated, supervised, or controlled the organization's activities. If the organization had more than one supported organization, describe how the powers to appoint and/or remove directors or trustees were allocated among the supported organizations and what conditions or restrictions, if any, applied to such powers during the tax year.		
2 Did the organization operate for the benefit of any supported organization other than the supported organization(s) that operated, supervised, or controlled the supporting organization? If "Yes," explain in Part VI how providing such benefit carried out the purposes of the supported organization(s) that operated, supervised, or controlled the supporting organization.		

Section C. Type II Supporting Organizations

	Yes	No
1 Were a majority of the organization's directors or trustees during the tax year also a majority of the directors or trustees of each of the organization's supported organization(s)? If "No," describe in Part VI how control or management of the supporting organization was vested in the same persons that controlled or managed the supported organization(s).		

Section D. All Type III Supporting Organizations

	Yes	No
1 Did the organization provide to each of its supported organizations, by the last day of the fifth month of the organization's tax year, (i) a written notice describing the type and amount of support provided during the prior tax year, (ii) a copy of the Form 990 that was most recently filed as of the date of notification, and (iii) copies of the organization's governing documents in effect on the date of notification, to the extent not previously provided?		
2 Were any of the organization's officers, directors, or trustees either (i) appointed or elected by the supported organization(s) or (ii) serving on the governing body of a supported organization? If "No," explain in Part VI how the organization maintained a close and continuous working relationship with the supported organization(s).		
3 By reason of the relationship described in (2), did the organization's supported organizations have a significant voice in the organization's investment policies and in directing the use of the organization's income or assets at all times during the tax year? If "Yes," describe in Part VI the role the organization's supported organizations played in this regard.		

Section E. Type III Functionally Integrated Supporting Organizations

1 Check the box next to the method that the organization used to satisfy the Integral Part Test during the year (see instructions).		
a <input type="checkbox"/> The organization satisfied the Activities Test. Complete line 2 below.		
b <input type="checkbox"/> The organization is the parent of each of its supported organizations. Complete line 3 below.		
c <input type="checkbox"/> The organization supported a governmental entity. Describe in Part VI how you supported a government entity (see instructions).		
2 Activities Test. Answer (a) and (b) below.		
a Did substantially all of the organization's activities during the tax year directly further the exempt purposes of the supported organization(s) to which the organization was responsive? If "Yes," then in Part VI identify those supported organizations and explain how these activities directly furthered their exempt purposes, how the organization was responsive to those supported organizations, and how the organization determined that these activities constituted substantially all of its activities.		
b Did the activities described in (a) constitute activities that, but for the organization's involvement, one or more of the organization's supported organization(s) would have been engaged in? If "Yes," explain in Part VI the reasons for the organization's position that its supported organization(s) would have engaged in these activities but for the organization's involvement.		
3 Parent of Supported Organizations. Answer (a) and (b) below.		
a Did the organization have the power to regularly appoint or elect a majority of the officers, directors, or trustees of each of the supported organizations? Provide details in Part VI.		
b Did the organization exercise a substantial degree of direction over the policies, programs, and activities of each of its supported organizations? If "Yes," describe in Part VI the role played by the organization in this regard.		

Part V Type III Non-Functionally Integrated 509(a)(3) Supporting Organizations

Form 990, Part III, Line 4 - Additional Program Services (2017)

- 1. DrugsData / EcstasyData Lab Testing — (expenses: \$74,512.75, grants: \$0, revenue: \$38,900.00)**
Erowid Center runs a laboratory testing program that analyzes the contents of ecstasy tablets, pharmaceuticals, novel psychoactive substances (NPS), research chemicals, and other street drugs. Members of the public submit samples to a DEA-licensed laboratory and the results are published online at DrugsData.org and EcstasyData.org. The purpose of the project is to collect, manage, review, and present laboratory testing results, including those from other US and international organizations. The information is made publicly available to help harm-reduction efforts, medical personnel, researchers and the public. In 2017, 434 samples were tested through the project. These results were published along with results for an additional 410 samples tested by other organizations. An average of 5,955 people viewed these testing results online each day.
- 2. Public Online Information Services — (expenses: \$60,853.87, grants: \$0, revenue: \$0)**
Erowid Center developed, maintained, and provided free access to an online collection of more than 78,000 documents, images, and other media files related to psychoactive plants and drugs. More than 16 million people accessed the information in this online archive in 2017. The collection contains essays and articles authored by a broad spectrum of contributors including health care professionals, substance abuse counselors, toxicologists, chemists, therapists, law enforcement agents, lawyers, anthropologists, writers, media, educators, and the general public. Note that our Experience Report project is tracked as a separate program service.
- 3. Events & Conferences — (expenses: \$41,152.01, grants: \$0, revenue: \$3,586.55)**
Erowid Center conducts educational outreach in person with the general public at conferences, seminars, and festivals. In 2017, Erowid sent representatives to six events. Among others events, Erowid staff presented at the California Institute of Integral Studies, “Psychedelic Science” in Oakland, Stanford Research Institute’s “Technology and Consciousness”, and the “Oregon Eclipse” festival. Presentations covered recent drug trends, novel psychoactive substances, electroceuticals, the nature of consciousness and consciousness altering, and the experiences that people seek and have while using psychedelics and other psychoactive drugs. At all events, we also met with supporters, members, and experts to discuss issues related to psychoactive drug education.
- 4. Experience Report Collection — (expenses: \$36,117.86, grants: \$0, revenue: \$250)**
Erowid Center solicits, reviews, and publishes first-hand reports of people’s experiences with psychoactive plants, drugs, and technologies. This project produces vital information about psychoactive materials as well as aggregate data about why and how people use psychoactives, both for current factual documentation and for the historical record. Reports are reviewed and edited before being published. Trained volunteers perform a portion of the reviewing work under the supervision of Erowid staff. The resulting data is used by researchers, academics, medical professionals, and the public for educational purposes and as source data for peer-reviewed articles and publications. There were approximately 30 million experience reports downloaded during 2017.
- 5. Drug Trend & NPS Tracking — (expenses: \$30,322.13, grants: \$0, revenue: \$0)**
Tracking new psychoactive medicines, technologies, “Research Chemicals”, “Novel Psychoactive Substances”, “NPS” (or incorrectly “Synthetic Drugs”), is one of Erowid Center’s areas of expertise. With the objective of educating the public on the risks and benefits associated with the use of emerging drugs, we 1) monitor the availability, use patterns, and effects of these substances through consultation with volunteers, allied organizations, medical professionals, and online forums; 2) analyze chemicals through our DrugsData / EcstasyData program (expenses tracked separately); 3) coordinate between experts and researchers in the field; 4) educate writers and authors for media, news, and books; and 5) publish information about these substances online and in print.

6. Education and Educational Materials /Gifts — (expenses: \$25,529.86, grants: \$0, revenue: \$10,507.13)

Erowid Center provided direct education services by answering questions from the public. We distributed books, information handouts, and teaching materials about psychoactive drugs, plants, practices, and technologies to members and the general public, furthering our educational mission.

7. Archiving & Transcription of Historical Documents — (expenses: \$19,455.02, grants: \$0, revenue: \$0)

Erowid Center's mission includes collecting, organizing, and preserving resources about psychoactives as historical records for the future. In 2017, Erowid's primary digital document archiving projects were re-initiating involvement in the Shulgin archiving project, continuing progress on the Stolaroff Archives, transcribing and publishing two Shulgin Pharmacology Notebooks (11/B & 12/C), and accepting physical collections of personal papers from anonymous experts in our field to be organized, indexed, preserved, and eventually made publicly available.

8. "Erowid Extracts" Educational Newsletter — (expenses: \$12,847.97, grants: \$0, revenue: \$0)

Erowid Center worked on preparation of one issue of our newsletter (#30) centered on information, articles, and statistics about Erowid's Experience Reports project. We distribute this advertisement-free publication to members and a full-issue digital version and constituent articles are later published online for free access by the general public. Thousands of people viewed/downloaded previous issues in 2017, and thousands more read individual articles online. We also distributed back issues at events and conferences.

9. Research, Surveys, & Research Improvement - (expenses: \$4,170.03 grants: \$0, revenue: \$5,000)

Erowid Center improves scientific, medical, and sociological information about psychoactives and those who use them by promoting participation in studies and surveys produced by academics, educational institutions, and related organizations. We work directly with scientists—in areas where we have specialized knowledge—to help design credible studies and provide editing, reviewing, and fact-checking for resulting academic publications. Erowid Center also conducts and promotes its own surveys about psychoactive drugs: health issues, use patterns, demographics, lifetime perspectives, and trends of newly developed drugs.

10. Information Network - EEN - (expenses: \$1,499.57, grants: \$0, revenue: \$0)

Erowid Center has built a network of both professionally-trained and self-taught experts with knowledge about psychoactive plants, chemicals, and technologies. Erowid Expert Network (EEN) members volunteer to share their expertise for the purpose of educating the public and improving the quality of information about this topic. The EEN facilitates making connections between those who are seeking information and experts who can help them. This furthers Erowid Center's mission by helping to improve both internal and external educational resources through increased fact checking and review.

Form 990, Part VI, Section B, Line 11b

The Treasurer prepared the Form 990 and all associated schedules in cooperation with the Board President. A copy of the completed 990 and all schedules were sent to all members of the Board of Directors prior to filing. No formal review was or will be conducted.

Form 990, Part VI, Section B, Line 12c

The Conflict of Interest policy covers the officers and Board members of the organization and their families. Every transaction of the organization is reviewed and approved by the Treasurer. The Treasurer reviews any payment to any Board member or key employee for conflicts of interest. Any transactions that might entail a conflict of interest are reviewed by the Board of Directors (minus any interested member). For transactions that involve the Treasurer, such as salary or reimbursement of major expenses, approval is sought from an independent committee of the Board.

Form 990, Part VI, Section B, Line 15a and 15b

All salaries and compensation are decided solely by the independent members of the Board of Directors based on contemporaneous comparability data for similar positions at similarly situated organizations. No changes were made to compensation structure in 2017 for any officer or key personnel.

Form 990, Part VI, Section C, Line 19

The organization's governing documents are available on its website, including the IRS Determination Letter, Articles of Incorporation, Bylaws, and Conflict of Interest Policy.
