Form and Line Reference	Explanation
PART I, LINE 7	Christian Health Care Center uses the cost to charge ratio to calculate the amount presented in Part 1 line 7. This cost to charge ratio methodology addresses all patient segments throughout the Christian Health Care Center community. Part II Christian Health Care Center provides health education classes to residents in the community and on-site education training to students which promote healthy living and lifestyle choices to community residents. PART III, LINE 2 Christian Health Care uses the amount of bad debt expense calculated in the cost report. The benefit to the community at large is their ability to obtain healthcare and treatment they might have not been able to receive due to their ability to pay. Part III, Line 3 Christian Health uses the patient ability to pay to the Medicare fee schedule to estimate the bad debt expense for patients under its financial assistance policy. PART III, LINE 4 Christian Health Care Center's bad debt expense footnote appears on the top of page 13 in the 2017 audited financial statements. PART III, LINE 8 Christian Health Center uses the cost to charge ratio to determine the amount that is included in line 6. Christian Health Care Center is treating a severely mentally ill population who otherwise would not be able to receive treatment if the Center did not provide this benefit to its inpatient and outpatient residents. The Medicare shortfalls should be considered a community benefit because Christian Health Care Center is providing care to these patients/residents with full knowledge that Medicare reimbursement will not cover the full cost of care to these residents. PART III, LINE 9B In connection with its Mission Statement and subject to the availability of resources, the Center provides outpatient, inpatient and partial hospitalization clients/patients free care or sliding fee scale to uninsured, under insured or otherwise ineligible insured patients/clients who are unable to pay for services due to their financial situation. Free Care or Sliding Fee Scale shall refer to the provision of health care services and supplies by employees of the Center. Free Care or a Sliding Fee Scale shall not include cash payment in any form, such as the payment of any individual's health insurance premiums, or free goods not otherwise furnished in the ordinary course of the Center's operations. Part VI, 2 NEEDS ASSESSMENT Christian Health Care Center assess the health-care needs of the community through market research conducted by organizations specializing in senior markets. They also track and trend referrals and admissions from acute care facilities, other nursing facilities and directly from the community at large. Whereas, trending these numbers shows the organization which programs will require additional resources to operate at a high level. Part VI, 3 PATIENT EDUCATION OF ELIGIBILITY FOR ASSISTANCE The Center informs and educates patients and persons who may be billed for patient care about their eligibility for assistance under federal, state, or local government programs or under the organization's charity care policy. The Center posts its Charity Care Policy, or a summary thereof, and financial assistance contact information in the admissions areas, waiting rooms and by the reception areas, and other areas of the Organization's Facilities in which eligible patients are likely to be present or seek such information. The Center provides a copy of the policy, or a summary thereof, as well as financial assistance contact information to patients as part of the intake and discharge process. The above materials are also included, in patient bills, and/or discussed with patient with the availability of various government benefits, such as Medicaid or State programs, and this assists the patient with the qualifications for such programs where applicable. Part VI, 4 COMMUNITY INFORMATION DESCRIPTION Christian Health Care Center serves two distinct communities, older adults and the mentally ill. The service area for Elder-Care programs includes Northwest Bergen County and Southern Passaic County. The service area for inpatient psychiatric services is much larger and includes most of Northern New Jersey. Also, the age of the psychiatric patients spans from eighteen years old to geriatric. The Center implements awareness and education in external based-settings to help the community. Part VI, 5 PROMOTION OF COMMUNITY HEALTH The Center provides meals on wheels to services, social outreach to community members who are housebound as well as CPR classes to local residents. Part VI, Line 6 Christian Health Care Center is not part of an affiliated health care system. Part VI, Line 7 New Jersey
