990 Schedule O, Supplemental Information

Return Reference	Explanation
Form 990, Part IV, Line 11f	The Organization has adopted the accounting standard relating to accounting for uncertainty in income taxes. The standard clarifies the accounting for uncertainty in income taxes recognized in an enterprise's financial statements and prescribes a recognition threshold and measurement process for financial statement recognition and measurement of a tax position taken or expected to be taken in a tax return. The standard also provides guidance on de-recognition, classification, interest and penalties, accounting in interim periods, disclosure, and transition. Based on the evaluation, the Organization has concluded that there are no significant uncertain tax positions requiring recognition in the financial statements. There are no income tax related penalties and interest included in these financial statements.
