Part III Statement of Program Service AccomplishmentsCheck if Schedule O contains a response or note to any line in this Part III ☒**1** Briefly describe the organization's mission:

Remember Niger supports several partners in Niger in their endeavor to transform their society. They are responding to the needs of their country by developing and executing long-term plans to operate a quality education system, which will include various types of education at every level. Remember Niger is particularly concerned with helping people who are under-represented in education and leadership roles and have the fewest opportunities in Nigerien society.

2 Did the organization undertake any significant program services during the year which were not listed on the prior Form 990 or 990-EZ? ☐ Yes ☒ No

If "Yes," describe these new services on Schedule O.

3 Did the organization cease conducting, or make significant changes in how it conducts, any program services? ☐ Yes ☒ No

If "Yes," describe these changes on Schedule O.

4 Describe the organization's program service accomplishments for each of its three largest program services, as measured by expenses. Section 501(c)(3) and 501(c)(4) organizations are required to report the amount of grants and allocations to others, the total expenses, and revenue, if any, for each program service reported.**4a** (Code:) (Expenses \$ 155,804 including grants of \$ 105,049) (Revenue \$)

SCHOOL CONSTRUCTION Assistance provided to schools in Niger for the construction of new classrooms, latrines, security walls and other required structures.

Classroom infrastructure is pivotal to our mission to create quality educational opportunities in Niger. The planned progression toward multi-level educational complexes in our partner school communities provides permanent space for thousands of students to receive quality educations, pre-k through high school, in preparation for university and professional level degrees. Since 2009, we have provided funding for the construction or improvement of 38 classrooms in 7 communities serving 2,292 students in 5 of the 7 states in Niger. In 2017, we provided funding for the construction of 2 middle school classrooms, 3 primary school classrooms and 2 preschool classroom, which create enough space for 350 students annually.

4b (Code:) (Expenses \$ 131,162 including grants of \$ 58,597) (Revenue \$)

SPONSORSHIPS AND SCHOLARSHIPS Tuition and other funding assistance for students who otherwise would not be able to attend school.

The program allows us to accomplish our mission in the following ways: 1) Children who would not have the opportunity to attend school are now receiving a quality education. These students include girls, children from rural and poor homes and children with disabilities. 2) It unifies the Remember Niger community by providing supporters with a direct, one-to-one connection with a student in Niger. Sponsors have an opportunity to develop a meaningful connection and see the impact of their support. 3) It helps establish and grow schools. When a new school begins with a kindergarten, Remember Niger provides 5-10 sponsorships, which is often the majority of the students. The number of sponsorships continue to grow until 50 students are sponsored when the primary school is complete through 6th grade. As the school grows, the percentage of sponsored students becomes less and less, eventually plateauing between 15 and 20% of the total student population. 4) It provides a means for monitoring and evaluating all our programs and assessing the health of the schools we support.

4c (Code:) (Expenses \$ 11,923 including grants of \$ 11,331) (Revenue \$)

SUSTAINABLE EDUCATION includes investments in solar-powered components and clean water for the school and training facilities.

Creating self-sufficient and sustainable educational communities is critical to the long-term viability of the schools we support. Solar Power and Water Security Programs produce ideal campus environments, increase teaching time and contribute to the health and financial autonomy of schools. In 2017, we funded the construction of a well and the installation of a solar powered pump with a water chateau at one school site.

4d Other program services (Describe in Schedule O)

(Expenses \$ 20,217 including grants of \$ 20217) (Revenue \$)

4e Total program service expenses **319,106**

Provide the information required by Part I, line 2 (monitoring of funds); Part I, line 3, column (f) (accounting method; amounts of investments vs. expenditures per region); Part II, line 1 (accounting method); Part III (accounting method); and Part III, column (c) (estimated number of recipients), as applicable. Part 1, Line 2 & 3 As part of our Monitor/Evaluation Program, we visit school sites 2-3 times per year with Volunteers to evaluate the need for classrooms, support for disadvantaged students so they are able to go to school, and support to ensure that students are receiving a quality education. Direct observations of existing and in-process projects are made to ensure that goals and objectives for the expansion of quality educational opportunities in Niger are being met. Initially, our partner organizations request funds or support for a project with specific goals and objectives. In the case of capital projects, local Nigerien leaders must meet certain criteria before support is mobilized and transferred. We create, discuss and sign a Memorandum of Understanding for the construction of each school building and the development of each school site, which includes the number and amounts of funds that will be transferred, the monitoring and evaluation process and clear expectations and responsibilities for our organizations. We transfer the funds to the partner Ecobank accounts as directed in the memorandum of understanding. The process is similar for the Student Sponsorship Program. School boards and directors send us the names and photos of students who meet certain criteria, which is primarily dependent on the family's inability to pay the school fees. During our visits to Niger, we take updated photos of each student in the program. Additionally, each sponsored student makes an art project and/or writes a letter to their sponsor. In addition to visiting the school sites 2-3 times per a year, we communicate by phone and email weekly with our partners, who send us notice of receipt of funds, photos of projects and programs and reports. We maintain complete and accurate records documenting the process and results of our programs and projects. Currently, our partners include the Evangelical Church of Niger, the Deaf School/Association in Niamey, the Salama School in Tahoua, the Hamsa School for Girls in Tahoua, the Maradi Handicap Association and RN-Niger.

Our mission is to unify people and mobilize resources to expand quality educational opportunities in Niger. We

accomplish our mission by supporting and empowering visionary leaders in Niger. Our country partners own and

operate their programs, and we help scaffold their success. We make an investment in human development through

local school and organizational partnerships, working alongside government officials and other community members.

Our investments impact the lives of many children but especially students with disabilities, girls and children from rural

and poor communities.

We use a collaborative model of partnership, in which we work side-by-side with Nigerien educational institutions,

including churches, associations and non-profit organizations. We are committed to building strong relationships with

our partners, which we see as fundamental to achieving our shared goals. The foundation of our partnerships consists of

three core values: respect, trust and a passion for providing educational opportunities to all Nigerien youth.

Annually, our partners educate over 1,500 children at all levels of academia in 5 of the 7 regions in Niger. Almost half of

our students are girls who successfully matriculate. Last year, 135 disadvantaged girls and young women, who would not

otherwise be able to attend school received sponsorships. Our school population continues to grow with increased

registration and new partner communities. For example, we began working with three new partners in Tahoua. Two of

these partnerships directly support the education of young women beyond primary school.

Part III, Item 4) Other program services include Volunteer Mission/Cultural Exchange Trips to Niger, and Academic

Enrichment Programs. Supplies, books, furniture, computer equipment, and assistance for food programs.

Part VI, Item 1a) Material differences in voting rights. In accordance with our by-laws, the Executive Committee shall

have authority to act between regular board meetings in cases of emergency involving corporate policy or expenditure

of funds. The Executive Committee comprises the President, Board Chair, Treasurer and Secretary.
