For those tax-exempt organizations, Children's believes that it continues to meet the requirements of the IRC to sustain its tax-exempt status. In accordance with ASC Subtopic 740-10, Income Taxes - Overall, Children's recognizes the effect of income tax positions only if those positions are more likely than not of being sustained. Recognized income tax positions are measured at the largest amount that is greater than 50% likely of being realized. Changes in recognition or measurement are reflected in the period in which the change in judgment occurs. Management determined there are no material income tax positions for the years ended December 31, 2017 and 2016. Children's is not subject to an income tax examination for years before 2014.
