Return Reference	Explanation
SCHEDULE I, PART I, LINE 2	The Foundation administers several grant and award programs to achieve its goals. Based on the type of program, the procedures may vary slightly as follows. Board-Approved and Fiscal Sponsor Grants primarily provides support for AAFP programs. A Letter of Agreement (LOA) is created between the grantee and the Foundation to set forth the terms and conditions for receipt of grant funds. A fully executed LOA is required before any funds are disbursed and one or more financial and progress reports (depending on length of program) are required for disbursement of funds. The Foundations Grant Specialist reviews the report for compliance with reporting requirements as stated in the LOA, and in accordance with guidelines regulating non-profit agencies. Student Externship Matching Grants are available only to AAFP Constituent Chapters and Chapter Foundations. Matching grants are used to stimulate interest among medical students to pursue a career in Family Medicine. Constituent chapters/chapter foundations submit a Letter of Intent which serves as verification of matching funds to support clinical and/or research medical student externships in their state. Matching grants are awarded in February and disbursement of the funds to chapters/chapter foundations is contingent upon submission of a Request for Payment form, which verifies the externship activities. The completed Request for Payment is reviewed and approved by the Program Specialist and all funds are distributed prior to December 31 of each year. Immunization Awards is a competitive award program available only to Family Medicine residency programs achieving high or improved immunization rates or implementing a system to improve childhood or adult immunization rates in medically underserved areas. A slate of award recipients is determined by a 7-member Immunization Awards Committee, which reviews and scores all applications. The slate receives final approval by AAFP Foundation Board of Trustees. Disbursement of the monetary award is made upon announcement of the awards. Highlight on Vaccinations 4 Teens (HoV4T) is a Chapter award program to provide a one-time grant to 15 Chapters to host a non-CME panel event addressing under-vaccination in adolescents, and provide HOV4T Resource Library materials to their members. Applications are approved by the Family Medicine Philanthropic Committee Convener who is a member of the AAFP Foundation Board of Trustees. Recipients receive 80% of the grant funds following approval of the application and the remaining 20% following submission of required reporting and end of project survey. Family Medicine Philanthropic Consortium (FMPC) Grant Awards provide for grants to AAFP Constituent Chapters and Chapter Foundations. Applications are received and reviewed by the FMPC Review Committee which is made up of the FMPC Steering Committee. Each application is reviewed and scored by four Reviewers, with at least one physician Reviewer. Once final approval is received from the FMPC, it must be approved by the Foundations Board of Trustees. Grant awards are announced in December. The grant cycle runs from February to January of the year following the announcement. An FMPC Grant Award Agreement is created and signed by all parties. A final report summarizing program implementation and final budget is due the following March. The Foundations Program Specialist reviews all reports and financial submission. Any extension of the grant period requires a written request no later than 30 days prior to the grant period end date. Any amounts unspent must be repaid to the Foundation. Research Grant Awards includes Joint Grant Awards Program (JGAP), Resident Research Grant Awards, Research Stimulation Grants, and Practice Based Research Stimulation Grants. These grants are awarded to Family Medicine physicians, Family Medicine organizations or associations, Departments of Family Medicine, or health care institutions in support of research of value to the practicing family physician. Applications with a detailed budget are received and reviewed by the AAFP Foundation Research Committee (RC). Final approval is given by the Foundations Board of Trustees. Once approved, Foundations Program Administrator will review submission of written reports received at the midpoint and upon completion of the project. Ninety percent (90%) of the grant funds are distributed periodically if timeline is over six months. The first installment is distributed upon receipt of an acceptance letter, and IRB approval, and a Substitute W-9 form. The remaining ten percent will be distributed upon review of final financial and progress reports. If funds have not all been used, they must be returned to the Foundation. Family Medicine Cares USA Launched in 2011, this humanitarian program is helping to establish new and existing free clinics to care for the uninsured in areas of need across the U.S. Grants are provided to new clinics for the purchase of tangible item such as exam tables, EHR systems and medical equipment needed to open their doors. Family Medicine Cares also gives AAFP members, residents and students the opportunity to volunteer their time and talents. Grant awards are for as much as \$25,000. Grants are applied for two times a year (March and September). The proposals are reviewed and grants awarded by the Family Medicine Cares USA Work Group. The selections are then sent to the Board of Trustees for final approval. Funds are distributed on a 80%-20% basis. The initial 80% is distributed upon receipt of the free clinic's letter of acceptance, a signed applicant agreement and the Substitute W-9 form. The final 20% distribution is allocated upon receipt of the grant fund reconciliation form documenting the use of the Family Medicine Cares grant funds and receipts for expenditures. Family Medicine Cares Resident Service Award Launched in 2013, this \$16,500 competitive award provides an opportunity for first or second-year Family Medicine residents to address health disparities by conducting a project in a free clinic or similar venue to enhance the services already offered. The proposals are reviewed and the slate of one recipient is recommended by the 11 members of the Family Medicine Cares Work Group. The recommendation is then sent to the Board of Trustees for final approval. The \$16,500 award consists of multiple elements: \$10,000 to the resident to cover program costs, \$5,000 to the free clinic (or other health care facility) where the service award is implemented, \$1,000 travel award for the resident to attend the National Conference of Family Medicine Residents and Medical Students to present the results of the project, and a \$500 stipend to the residency program to celebrate and recognize the resident award recipient. Following announcement of the award the residency program and health clinic are sent the Award Payment & 990 Information form for completion. The funds are distributed in installments beginning after receipt of this information and as reporting requirements are met.
