Michael Serber, an officer of CMCRI, is neither an employee of nor compensated by CMCRI. Mr. Serber is an employee of the University of Texas Southwestern Medical Center (UTSWMC). CHST IS THE SOLE MEMBER and common paying agent for those employees that are employed and compensated by CHST for the benefit of CMCRI. The CHST process for determining executive compensation is as follows: The Human Resources Committee (Committee) of the CHST Board is responsible for setting the compensation for executives. The Committee is comprised of independent, non-employee directors. A written compensation philosophy has been developed by the Human Resources Committee for timeliness and appropriateness and defines the desired peer groups for compensation surveys. COMPENSATION PROGRAM COMPONENTS The elements of total compensation provided to CHST executives include: - Cash compensation (i.e., base salary, short-term and long-term incentive compensation, and/or other cash compensation), determined in consideration of competitive market practices, organizational and individual performance, recruitment and retention considerations, and other relevant factors. - Standard benefits, assisting in each executive's medical, dental, disability, life insurance, time off, and retirement needs, reflective of the employment status (i.e., full or part time) of the executive. - Supplemental benefits, including supplemental insurance, retirement benefits, and/or other supplemental benefits determined by the Committee to be appropriate and reasonable in relation to marketplace practices. Compensation and benefits decisions are made in consideration of each executive's position, responsibilities, skills, effort, and performance, in relation to documented practices within the appropriate comparator group(s). PEER GROUP The Committee has defined its primary peer group for executives as not-for-profit health care organizations similar in size, structure, and complexity. This group will include leading pediatric health systems as well as integrated health systems and academic medical centers. - Data will be compiled in a manner consistent with the IRS Intermediate Sanctions rules of federal tax law, to reflect what is "ordinarily paid to like executives by like enterprises under like circumstances." - In certain circumstances, market data from additional comparator groups (e.g., research institutions, insurance industry, and general industry companies) may also be referenced. - The specific nature of the role at CHST will be considered when adding comparator groups outside of the primary peer group, and the Committee will discuss and agree on the appropriateness of adding comparator groups whenever the specific nature of the CHST role requires additional comparator groups to be used.
