Explanation: We would like to request an abatement of the estimated late filing penalty of 4,900. During 2017, our organization had a turnover in staff. The person who was responsible for the financial information, and ensuring the Form 990-EZ was prepared left the organization. Therefore, we needed additional time after the extended due date to ensure the financial information was reported accurately. We now have procedures in place to ensure this does not occur in the future. Payment of this penalty would have a huge negative impact on the ability of our organization to continue running the program. There was no attempt on our part to withhold information from the IRS or prejudice the Federal Government. We respectfully request abatement of any late filing penalties and interest.
