In the tradition of our founders, the Franciscan Sisters of Mary, caring for those in greatest need remains our organizational priority. Today our System Board monitors Community Benefit efforts, and views achievement of our vision as a primary responsibility. The purpose of SSMH's Community Benefit program is to assess and address community health needs. Making our communities healthier in measurable ways is always the goal. To fulfill this commitment, SSMH's Community Benefit is divided into two parts: 1) Community Health Needs Assessment (CHNA), and 2) Community Benefit Inventory for Social Accountability (CBISA). First, CHNA is the assessment and prioritization of community health needs and the adoption and implementation of strategies to address those needs. A CHNA is conducted every three years by each hospital according to the following steps:</p> <ul style="list-style-type: none">* Assess and prioritize community health needs.
