Form 990, Part III, Line 4a:

To accomplish our mission, we help people and organizations to repurpose their used technological assets by redistributing them to those in need. Based in Milwaukee, WI, we work with partnering nonprofits and nongovernmental organizations to provide affordable technology to low-income households, set up computer labs for the communities that need them, and to help our partners who are already doing good work to further their missions and create a lasting legacy, all using refurbished technology. In 2017, Digital Bridge furnished refurbished computers and hardware and set up, upgraded, migrated, and maintained computer labs for local nonprofit groups. Labs were for groups servicing underprivileged youth, low income individuals, food pantry, and a charter school. 33 refurbished computers and technical support was also provided to another nonprofit that set up a computer lab in Kenya. 105 refurbished computers were also directly distributed to qualified low income individuals and nonprofit organizations.
