Education and outreach Through our website, emails, social networking platforms, online videos, conferences, and media outreach, we were able to reach several thousands of people about the health and social benefits of food gardens Key achievements our facebook page had over 60,000 fans and our YouTube channel had over 1.7 million views

Form 990, Part III, Line 4b:

Grants and crowdfunding program After a successful pilot of the SeedMoney program in 2015, we made it our focus of 2016 and even changed our nonprofit's name to SeedMoney to reflect this new direction Our work in 2016 involved 475 garden projects from 48 states and 25 countries We gave them access to our online funding platform, training in online outreach and small challenge grants they could use as incentives for raising funds from within their communities As a result of our efforts, we were able to help these groups raise over \$240,000 for their work We also provided free one-year subscriptions to our online garden planner to 322 garden projects to help them plan better, more productive gardens This subscription normally costs \$29/year so our gift to these 322 projects represented an additional \$9000 of in-kind services offered to these projects
