Part V, Line 4	On an annual basis, CareAlliance Health Services d/b/a Roper St Francis Healthcare, a related exempt organization, requests funds from the Roper St Francis Foundation for reimbursement of expenditures incurred specifically related to unrestricted or temporarily restricted purposes. The Organization's endowment funds are used for education, building and equipment purchases, hospital services lines, indigent care, and community health improvement.

Supplemental Information

Return Reference	Explanation
Part X, Line 2	Roper St Francis Foundation is a not-for-profit (NFP) corporation as described in Section 501(c)(3) of the Internal Revenue Code and, therefore, is generally exempt from federal and state income taxes on related income pursuant to Section 509(a)(3) of the Internal Revenue Code. Although the Foundation is exempt from federal and state income taxes, it evaluates whether there are any uncertain tax positions that fail to meet the more-likely-than-not threshold for recognition in the financial statements. Uncertain tax positions may include the characterization of income, such as a characterization of income as passive, a decision to exclude reporting taxable income in a tax return, or a decision to classify a transaction, entity, or other position in a tax return as tax exempt. The tax return benefit from an uncertain tax position is recognized when it is more likely than not that the position will be sustained upon examination, including resolutions of any related appeals or litigation processes, based on the technical merits. The Foundation had no unrecognized tax positions as of December 31, 2017 and 2016. Interest and penalties related to uncertain tax positions, if any, are recognized in the financial statements as income tax expense.

Provide the information, explanation, or descriptions required for Part I, lines 1a, 1b, 3, 4a, 4b, 4c, 5a, 5b, 6a, 6b, 7, and 8, and for Part II. Also complete this part for any additional information.

Return Reference	Explanation
Part I, Line 3	A related organization of Roper St. Francis Foundation determined the compensation of the Organization's CEO using the following methods - Compensation Committee - Independent Compensation Consultant - Compensation Survey or Study - Approval by the Board or Compensation Committee
Part I, Line 4b	The Roper St. Francis Healthcare 457(f) Plan's purpose is to offer eligible employees of the employer deferred compensation benefits to supplement Eligible Employees' retirement income. The Plan is intended to be a top-hat plan (i.e., an unfunded deferred compensation plan maintained for certain members of a select group of management or highly compensated employees). The Vice-Presidents, CFO, and CEO participate in the 457(f) Plan. The following participants received compensation through a 457(f) Plan: Bret Johnson - \$101,060 (from a related organization); Greg Edwards - \$23,380 (from a related organization).
Part I, Line 6	Goals are developed each year to support the Organization's strategic initiatives for people, quality, financial, growth and service. The Ad Hoc Compensation Committee approves the system goals annually and reports to the full Board of Directors. Progress on each metric is reported to the Board each month on the corporate scorecard. At year end, the Ad Hoc Compensation Committee approves the final scorecard number and reports results to the full Board. Annual incentives for the executives are based on 60% on the corporate scorecard and 40% on individual performance. Executives maintain an individual scorecard on the leader evaluation manager and discuss results monthly with the President/CEO. The President/CEO approves the individual executive scorecard. System Vice Presidents and the System CEO are eligible to participate in a long term incentive plan (LTIP). An LTIP typically takes place over a three year period and does not vest until the end of the third year. To receive payment, executives must still be employed by the system at the end of the plan period. Each LTIP has a financial and clinical objective that is aligned with the Organization's strategic goals. Threshold, target, and maximum performance ranges are established for these objectives and are measured based on performance against similar organizations or compared to an internal metric such as an improvement over prior performance. These targets and objectives are approved by the Ad Hoc Compensation Committee. The incentive is earned based on the satisfaction of the threshold, target, or maximum performance ranges. The Ad Hoc Compensation Committee also approves the final LTIP performance score and the amount paid to executives under the plan. Results are reported to the full Board annually.
Part I, Line 7	See above response.
Part II, Line 1	Carolinas Healthcare System provides the compensation of Lorraine Lutton, President and CEO, Bret Johnson, SVP and CFO, and David Dunlap, Former President and CEO.
Additional Information	CareAlliance Health Services has board representations from the 3 founding organizations: the Medical Society of SC (6 board members), Bon-Secours Health System, Inc. (6 board members), and Carolinas Healthcare System (1 board member). None of the 13 appointed board members receive compensation for their membership. Additionally, 4 of the 6 board members appointed by the Medical Society of South Carolina also serve on the Board of the Medical Society. None receive compensation for their services as a board member. It is the founding members' intent that the members of the Board of Directors are appointed to such positions because they have a willingness to serve the needs of the system as a whole and not the needs of any individual founding member.

990 Schedule O, Supplemental Information

Return Reference	Explanation
Part III, Line 4a	The Roper St Francis Foundation is the fundraising arm of Roper St Francis Healthcare, a private, non-profit hospital system offering quality medical services to residents of seven coastal counties of South Carolina known as the Lowcountry regardless of race, gender, national origin, creed, or ability to pay. The Foundation is charged with identifying, securing, and managing financial resources to support facility projects and healthcare services for the System's three hospitals, Roper Hospital, Bon Secours St Francis Hospital and Mt Pleasant Hospital, as well as 110 additional facilities located across the Lowcountry. Gifts to the Foundation fill the gap between the Healthcare System's operating revenue and the resources required to update our facilities, purchase the latest technology, and provide expanded access to care and other community health needs. In 2017, the Foundation raised more than \$15.6 million to improve the health and well-being of Lowcountry citizens and to advance the Healthcare System's mission of healing all people with compassion, faith, and excellence. Donor generosity helped to fund nearly 30 programs and departments within the Roper St Francis Healthcare system impacting the greater Charleston community. These initiatives included neuroscience and stroke services at Roper St Francis, Roper St Francis Cancer Care, and nursing scholarships. The three largest program services supported by the fundraising efforts of the Roper St Francis Foundation in 2017 were: The Ryan White HIV Program, which receives federal, state, and local grants as well as support from private foundations, served more than 790 residents with HIV/AIDS through navigation, housing, and medication services. In 2017, through a transformational investment, Roper St Francis Cancer Care will now be able to create a world-class program for patients undergoing bone marrow transplant and cellular therapy treatments. We will be able to serve more transplant patients as well as position ourselves for the future of cellular therapies that are in development. The Roper St Francis Research and Innovation Center received a generous gift to create the D. Loy Stewart and George C. Wendt Institute for ALS Research. This Institute will be able to pioneer a new biological marker that we hope will lead to a positive diagnosis for ALS and eventually to a novel treatment approach.

Form 990, Part VI, Section A, line 6	The sole member of the Corporation is CareAlliance Health Services, a South Carolina nonprofit, nonstock Corporation, d/b/a Roper St Francis Healthcare. CareAlliance Health Services is in turn governed by a Board of Directors appointed by the "founding members." Please see the response to Line 7a below. The bylaws of the Organization specify certain qualifications of the thirteen member Board of Directors. At least nine directors must have their primary residence in a community served by the system. Five directors must be physicians actively engaged in the full time practice of medicine. Five of the directors are appointed to the Board of Directors by virtue of positions held within MSSC, BSHSI and CHS (ex-officio directors). Each of the five ex-officio directors serves as a director of the Organization for so long as such person holds his or her respective elected or appointed office in his or her respective founding member organization. Directors serve three-year terms and are limited to three consecutive terms. After an absence of at least one year, directors are again eligible for appointment to the Board of Directors for two consecutive complete terms.

Form 990, Part VI, Section A, line 7a	The Organization is governed by a thirteen member Board of Directors appointed by the founding members. Subject to certain nominating and governance committee approvals, six directors are appointed by the Medical Society of South Carolina (MSSC), Bon Secours Health System, Inc. (BSHSI), and one director is appointed by Carolinas Healthcare System (CHS). It is the founding members' intent that the members of the Organization's Board of Directors are appointed to such positions because they have a willingness to serve the needs of the system as a whole and not the needs of any individual founding member.

Form 990, Part VI, Section B, line 11b	The Form 990 was prepared by an independent accounting firm with assistance and oversight by management. Reviews were then conducted by senior management before drafts were sent to each member of the organization's governing body. A transmittal letter accompanied the drafts and provided highlights of the Form 990 to the Organization's Board of Directors. After the governing body approved the Form 990 draft, a final version was filed with the Internal Revenue Service.

990 Schedule O, Supplemental Information

Return Reference	Explanation
Form 990, Part VI, Section B, line 15	An independent company, Towers Watson, provides research, advice and guidance to the Compensation Committee and senior leadership to ensure the Organization's compensation programs for executives covered by the "Intermediate Sanctions Legislation" (IRC Section 4958) are aligned with its stated philosophy. Base salaries are targeted at the 50th percentile of the established comparator market, Total cash compensation (base salary plus annual incentive payments) are targeted at the 75th percentile of the established comparator market, Total direct compensation (total cash compensation plus long term incentive payments) will not exceed the 90th percentile of the established comparator market, Benefits are targeted at market median, and In aggregate, base salary, total cash compensation, total direct compensation and benefits comprise total compensation for executives. The Compensation Committee ensures that executive total compensation is reflective of the Organization's stated compensation philosophy. The Committee, in this process, authorizes and supports an annual three step process utilizing Towers Watson's resources: 1) Salary levels, annual bonus targets/payments and long term incentive grants are compared rigorously each year with market data based on comparable positions and organizations. A. Comparable organizations are typically not-for-profit healthcare systems with similar operating revenues. Private sector employer data, when available, are also included in the analysis for "transferable skills positions". B. Historically, performance incentive payouts generally track with a normal bonus payout distribution. Incentive goals are primarily based on formally defined quantitative goals approved by the ad hoc Compensation Committee of the RSFH Board of Directors. 2) All recommended pay decisions are tested against these data and the Organization's stated compensation philosophy. 3) A formal opinion letter is prepared by Towers Watson, representing that senior executives are compensated within the reasonableness standards mandated by the IRS. A similar process is performed by Towers Watson for the CEO and CFO positions. This letter provides a "safe harbor" for the organization's "directors" relative to the reasonableness of total executive compensation consistent with IRC Section 4958.
