Return Reference	Explanation
Schedule D, Part X, Question 2	The Association is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code and, therefore, no provision or liability for income taxes is included in the accompanying financial statements. The Association annually evaluates all federal and state income tax positions. This process includes an analysis of whether these income tax positions the Association takes meet the definition of an uncertain tax position under the Income Taxes Topic of the Financial Accounting Standards Codification. In the normal course of business, the Association is subject to examination by federal and state taxing authorities. In general, the Association is no longer subject to tax examinations for tax years ending before December 31, 2014. During December 2017, the President of the United States of America signed into law the Tax Cuts and Jobs Act. The law is generally effective for the tax years beginning in 2018, and therefore the Association's current tax liability for any potential unrelated business income tax will not be affected until the year ending December 31, 2018. There are other changes to the tax law that may affect the Association, but the magnitude of such changes has not been determined.
