Part X, Line 2	Part X, line 2 The Organization evaluates any income tax benefits generated from uncertain tax positions using a more-likely-than-not of being sustained upon examination analysis. If a tax benefit is not more-likely-than-not of being sustained upon examination, the Organization records a liability for the recognized income tax benefit. The Organization recognizes accrued interest associated with uncertain tax positions as part of interest expense and penalties associated with uncertain tax positions as part of other expenses. For the years ended December 31, 2017 and 2016, management believes there are no material amounts of uncertain tax positions. Additionally, there were no amounts of interest or penalties recognized in the statements of financial position as of December 31, 2017 and 2016 or the statements of activities for the years then ended. Further, all years subsequent to 2014 remain subject to examination by the IRS.
