Decreases

The Part I, Line 27(a) amount (from page 1) is \$2,819.00 larger than the difference between the Part III, line 1 amount and the Part III, line 6 amount. This discrepancy is caused by a timing difference. Certain income items were included in the organization's income for the tax year 2017, but were not actually received until 2018. Thus, the organization's December 31, 2017 balance sheet does not reflect them, even though they are included in the income statement.
