PART III 4a

During the first eight months of 2017, HASER conducted a handful of educational activities with community groups from the Municipality of Carolina that include art installations with local youth and international participants, educational workshops about social justice and supported the travel of community members to present their work and what we are doing in Puerto Rico. In September 20, 2017 Hurricane Maria hit. Everything changed for HASER because we focused our efforts on hurricane relief support to many communities around Puerto Rico. We received donations for the acquisitions and disbursement of essential necessities for families and communities that had lost their livelihood during the hurricane. This included water filters, solar systems to run medical machines, communication technology and perishable food. We also invested donations we received in equipment and materials to clear up roads, by ways and entrances to homes. We were able to purchase materials for rebuilding some roofs of low-income families that had lost their entire roof or had so much water filtration that their belongings were destroyed. During this time, we were able to hire a part time consultant to help with the hurricane relief work.

PART VI SECTION A 8b- All board meetings are documented on our official book. The board of directors has not given authority to any committee to act on behalf of the board of directors. During the extreme times of post hurricane Maria, the Board President work on the day to day actions of the hurricane relief work with support from the consultant. If a situation came up on the day to day activities that was not preapproved by the board, a short meeting was held on the phone with the entire board for discussion. And this meeting was written down on the board books.

PART VI SECTION B 11b -It was decided to ask for an extension on submitting our 990 form because Puerto Rico and its citizens were still attaining their basic human needs in the first quarter and it seem that would be true for the second quarter as well and HASER was doing great hurricane relief work. The board meeting held in September 2018 was specifically to review our 2017 990 form and audited financial statement with our accountant and lawyer. At this meeting the documents of 990 form, this schedule O and local tax documents were approved and filed accordingly.

PART VI SECTION B 12 (c)

- At the beginning of 2018 a board meeting was held through the phone to review funds received in 2017, our conflict of interest policy and next steps based on the lack of communication platforms in Puerto Rico.
- When reviewing our conflict of interest policy, it was approved that the board and the one paid consultant were not in violation of this policy, it was clear that the funds were being used to support communities that were in desperate need of hurricane relief support.

During the 2017 year the President of the Governing Board was acting as Executive Director without any compensation at all. This decision came from a Board Meeting held in early 2017 where the financials were over, and it was determined that there weren't enough funds to hire an Executive Director. After Hurricane Maria hit it the Governing Board held a short on the phone meeting in November to approve the hiring of a consultant to support the growing need of hurricane relief work to the community groups HASER supported. However, through the end of 2017 that was the only hire that was done, and compensation was determined based on their experiences, number of hours expected to work weekly and an average payment for local consultants in the non-profit sector of Puerto Rico.

PART X

All our funds come from donations from individuals and foundations. Because hurricane Maria was so catastrophic, and it hit in September many of our donation were received close to year end and therefore were not completely used in 2017 but deferred to 2018 for continued use in hurricane relief and rebuilding of work being done with domestic community groups. Many people and foundations from the United States wanted to help Puerto Rico right after Maria but during the first few months after Maria hit (September-December) community groups were still in the process of acquiring basic human needs such as access to roads, water, food and temporary safe shelter. It hasn't been until the beginning of 2018 that community groups were ready to start rebuilding their communities. When the board meeting was held in September 2018, there were still community groups doing rebuilding of homes, roads and schools.
