Harry Bass Foundation - 2017 Form 990-PF

Effective April 27, 2001 the HARRY BASS FOUNDATION (75-1876307) merged with the HARRY W BASS, Jr. RESEARCH FOUNDATION (75-2406369). The HARRY BASS FOUNDATION is the surviving Foundation of such merger Accordingly, the extensive numismatic research, education, collection and display activities formerly conducted by the HARRY W. BASS, Jr. RESEARCH FOUNDATION have been continued by the surviving HARRY BASS FOUNDATION The following discussion of Direct Charitable Activities generally relate to the HARRY W. BASS, Jr. RESEARCH FOUNDATION which, prior to the merger, was totally involved in the numismatic research, education, and collection matters discussed below.

Summary of Direct Charitable Activities Part IX-A, Line 1

The Foundation has acquired rare numismatic items through gifts and purchases for use in providing educational and research opportunities in the field of numismatics. The collection of the Foundation is important due to its extent, its extreme rarity and its unique gathering of pattern and die varieties. The Foundation provides an unusual opportunity for research by scholars of numismatics on the history and development of United States patterns and currencies through a collection only matched by that of the Smithsonian Institute.

The Foundation was established in late 1991. During calendar years 1992 through 1994 the Foundation concentrated its activities on compiling a database of the collection for publication. During 1995 the Foundation began a new project to compile a database of the indexes of the major numismatic publications from their inception to date. The database was prepared in a computer format which allows access and search capabilities by any type of computer system. The database system allows researchers to search the vast majority of numismatic research to locate articles of interest. The database has been completed in test form and posted on the Internet for worldwide access. The service is provided free of charge to all interested parties. To the Foundation's knowledge, this database is the first of its kind in the numismatic field. This project was expanded and further refined in 1996 and 1997.

Additional holdings were acquired in 1996 and 1997. Technical support was extended to other numismatic organizations in 1996 and 1997. Also in 1997 the Foundation began the Numismatic Literature Project (NumLit). This project provides a searchable database on the Internet of numismatic periodicals over the last century, now numbering over 80,000 listings. At that time the Foundation maintained an Internet site, free of charge, for the American Numismatic Society (ANS), a 501(c)(3) organization. The Foundation provided hardware, software and support services for this pre-eminent numismatic organization.

During 1998 Mr. Harry W. Bass, Jr. died. The Foundation was the beneficiary of a charitable bequest from his estate of cash and his very extensive, rare and valuable collection of coins and numismatic books.

Prior to 2000 the Foundation qualified as an operating foundation under IRC Section 4942(j((3). However, due to the sale of certain duplicate coins and related items coupled with a reallocation of assets, the Foundation no longer qualifies as such. Nonetheless, maintenance of the collection and coordination with the American Numismatic Association on projects previously begun continues Currently, the Foundation makes charitable grants and contributions to a variety of Section 501(c)(3) organizations as well as continuing its participation in appropriate efforts in furtherance of numismatic research.
