990 Schedule O, Supplemental Information

Return Reference	Explanation
Form 990 Part VI Section B Line 15	The performance evaluation of the CEO is a two-part process- A formative assessment that occurs all year, and a summative assessment that occurs on or close to the date of employment of the CEO. The formative assessment occurs as weekly meetings between the CEO and the Board Chair. These meetings are a chance to talk over current projects, recent achievements, and upcoming events. During the meetings, the Board Chair takes notes for his files on the progress of the CEO toward meeting the goals as stated in the strategic plan for for P PCF. The summative assessment begins approximately two months before the anniversary date of employment of the CEO. The Board Chair asks the CEO to write a self-evaluation that describes progress during the preceding year as related to the goals and objectives of the strategic plan. At the same time, the Board Chair solicits feedback and input from all Board members, and also requests information from staff and key volunteers as appropriate. The CEO then meets one-on-one with the Board Chair to discuss both the self-evaluation and the Board feedback. After this session, the board chair convenes the Executive Committee of the Board for a formal performance review. Part of this session is "Executive Session" during which the CEO is asked to leave the room so that the committee members can discuss the CEO privately. The Executive Committee then prepares a recommendation for either retention or termination of the CEO and presents it to the full Board. The CEO then meets with the full Board to discuss performance, followed by an "Executive Session" during which the CEO is asked to leave the room so that the full Board can discuss the recommendations. The full Board conducts a formal vote on the recommendation (along with any changes proposed) as presented by the Executive Committee. The Board Chair then communicates the results of the vote to the Executive Director, and writes a formal performance review letter to the CEO, and, if re-hired, a letter describing compensation adjustments and future performance expectations. Appropriate compensation is then established by reviewing the council on foundations annual salary survey, the Colorado Nonprofit Association Annual Salary Survey, and by checking the Guidestar database for the compensation levels at comparable Foundations in the State of Colorado. We use the Colorado Nonprofit Association Annual Salary Survey to create appropriate compensation levels for our staff. Currently, our staff members are at or just below the median for the positions they hold at PPCF.
