Form 990 (2017)

Form 990, Part III, Line 4a:

We unlock the potential of African youths to solve challenges facing their communities. Our model is exponential empowerment, by investing long-term in youths so they can positively impact many others. We provide a mix of leadership and social entrepreneurship training, long-term mentoring, practical experience solving a community problem, and an alumni network for high school aged youths. The four parts of the program are: a course on leadership and social entrepreneurship, ongoing mentorship, the actual creation of a business or community initiative that addresses a critical community problem, and a lifelong alumni network that provides peer support, resources, business startup support and capital, and connections. We are currently working with over 10,000 youths.
