Guidelines and Application Directions

APPLICATION TIMELINE FOR A 2017 GRANT

- July 15 August 15, 2016 All applications must be finalized and submitted by 8/15/2016
- Mid-November 2016 Pledges to agencies announced
- Late January 2017 Funding distributed

TYPES AND RANGE OF FUNDING

General grants range from \$5,000 to \$15,000 for a one-year period of funding and are given to support programs, operating expenses, or collaborative programs with other agencies.

GEOGRAPHIC CONSIDERATIONS

Contributions are made primarily in areas with large concentrations of Pacific Life employees—generally, the greater Orange County, California area. Ideally, agencies should serve a large area, usually including more than one city or community. In addition, some grants are provided in greater Omaha, Nebraska. A few California statewide and national organizations also receive support.

LENGTH OF FUNDING PERIOD

Agencies may reapply annually for funding; however, grants are made to any one agency for no more than three consecutive years. Support may again be requested after a two-year interim period. Exceptions are made for agencies where a Pacific Life officer serves on the board of directors. During the two-year interim period, and agency may submit a capital grant application.

When completing your application, please DO NOT use all caps. Our eyes thank you.

Pacific Life Foundation Capital Grant Application

Guidelines and Application Directions

2017 CAPITAL GRANT APPLICATIONS ARE ACCEPTED JULY 15 through AUGUST 15, 2016

All applications must be finalized and submitted by August 15, 2016. Funding decisions are announced in mid-November 2016 and grants are distributed in late January 2017.

FUNDING RANGE FOR A CAPITAL GRANT

Capital grants typically range from \$20,000 to \$100,000 and are generally given to an agency with an organized campaign already under way to raise substantial funds (e.g., to finance a building or major renovation). More than 50 percent of the campaign goal (excluding pledges of in-kind donations, anonymous gifts, and loans) must be pledged prior to consideration by the Foundation.

GEOGRAPHIC CONSIDERATIONS FOR A CAPITAL GRANT

Contributions are made primarily in areas with large concentrations of Pacific Life employees—generally, the greater Orange County, California, area. Ideally, agencies should serve a large area, usually including more than one city or community. In addition, grants are provided in the greater Omaha, Nebraska area.

LENGTH OF FUNDING PERIOD FOR A CAPITAL GRANT

Capital grants may be paid out over multiple years. Agencies may reapply for a capital grant if their last Foundation capital grant payment was received in or before 2014. Note: If an agency is on a two-year sabbatical from applying to the Foundation for a general grant, it can still apply for a capital grant during the interim period.

When completing an application, please DO NOT use all caps. Our eyes thank you.
