Field Foundation Grant Program (Spring 2019)

Field Foundation

Field Foundation Grant Application - Instructions

BEFORE YOU BEGIN, PLEASE NOTE:

- **Applications will be accepted until 11:59pm CST on Friday, February 15, 2019.** Late or incomplete submissions will not be accepted.
- Applications may only be submitted for requests where a Letter of Inquiry (LOI) has been approved by the Field Foundation. Material discrepancies between the information provided in the LOI and information submitted in this application may result in denial of the application.

If you encounter any technical issues or other problems completing this form, please review the [FAQs](#) found on our website. If you still require assistance, please contact the Field Foundation at grantsupport@fieldfoundation.org.

Please answer all questions completely and as concisely as possible.

Several sections of this application, *Organization Information*, *Request Information* and *Fiscal Agent* contain responses copied from your LOI. These are there for reference only. However, if there have been material changes to any of this information since your LOI was submitted, **you must describe and explain those changes** in the space provided at the bottom of those sections of the application form.

Applicants may find it helpful to compose answers to longer questions offline in a word processing program, then cut and paste responses into the online form, being mindful of character limits for each response. Character count **does** include spaces and punctuation.

It is not necessary to complete this application in one sitting.

At any time, you may save your work by clicking the **Save as Draft** button at the bottom of the form. *You should always save your work before logging out of the system*

Your session may time out if you leave your work unattended for a period of time. If this happens you will be logged out and may lose any work entered since your last Save. *We recommend that you save your work often.* You may log back into the system at a later time and resume working from where you saved your application.

Organization Information

Please review the information copied from your LOI to ensure it remains correct, and then complete the **Organizational Diversity** questions that follow.

If any of the information from your LOI has changed, please describe those changes in the space provided at the bottom of this section.

Justice Outcome Information

The **Field Foundation** is most interested in learning from our grant-making, so that we can: better speak to the issues facing the city of Chicago; better understand the needs of nonprofits; and better adjust our funding to be most effective to the field. We need your help in determining what you can track and informing us what else might need consideration.

The Foundation has outlined a set of priority outcomes for its grant-making along with a few key indicators that will provide insight into progress and help us to learn as we go. We will benefit from hearing how your organization plans to track your progress.

The Field Foundation is focused on the following Justice outcomes. We invite you to select the Justice outcomes and indicators that are most relevant to your organization's work and practical for your organization to capture.

*Please **only** select "Yes" for the outcomes and indicators that are related to the work that you are proposing and that you plan to track.*

If there are other indicators that your organization plans to or already uses, please feel free to share those in the space provided at the end of this section.

J2 - Outcome*

Build capacity of organizations working in advocacy, justice or system change

Note: (National Council of Nonprofits)

"Capacity building is not just about the capacity of a nonprofit today--it's about the nonprofit's ability to deliver its mission effectively now, and in the future. Capacity building is an investment in the effectiveness and future sustainability of a nonprofit...Distinct capacity building projects, such as identifying a communications strategy, improving volunteer recruitment, ensuring thoughtful leadership succession, updating a nonprofit's technology and improving how it measures its outcomes, all build the capacity of a charitable nonprofit to effectively deliver its mission. When capacity building is successful, it strengthens a nonprofit's ability to fulfill its mission over time, thereby enhancing the nonprofit's ability to have a positive impact on lives and communities."
