PART X, LINE 2	The committee assesses its tax position in accordance with "accounting for uncertainties i n income taxes "as prescribed by the accounting standards codification, which provides gui dance for financial statement recognition and measurement of uncertain tax positions taken or expected to be taken in a tax return for open tax years (generally a period of three y ears from the later of each return's due date or the date filed) that remain subject to ex amination by the committee's major tax jurisdictions. Generally, the committee is no longe r subject to income tax examinations by its major taxing authorities for years before Apri l 30, 2015. The committee assesses its tax positions and determines whether it has any mat erial unrecognized liabilities for uncertain tax positions. The committee records these li abilities to the extent it deems them more likely than not to be incurred. Interest and pe nalties related to uncertain tax positions, if any, would be classified as a component of income tax expense.
