Part V, Line 4	Endowment funds are assets of the School that are invested to provide support to the School. A portion of the investment return is utilized to support the School's operations in fulfillment of its mission and a portion to enhance and maintain the purchasing capacity of the permanently restricted net assets.

Return Reference	Explanation
Part X, Line 2	In accordance with Section 501(c)(3) of the Internal Revenue Code, the School is exempt from federal and state income taxes and, accordingly, the financial statements do not reflect a provision for income taxes. These determinations have been reviewed according to guidance in a Financial Accounting Standards Board pronouncement related to accounting for uncertainty in income taxes. In determining the recognition of uncertain tax positions, the School now applies a more-likely-than-not recognition threshold and determines the measurement of uncertain tax positions considering the amounts and probabilities of the outcomes that could be realized upon ultimate settlement with taxing authorities. As of June 30, 2018, the School has no uncertain tax positions that qualify for either recognition or disclosure in the financial statements. The School is generally subject to potential examination by taxing jurisdictions for the prior three years.

Part I, Line 2	Brimmer and May requires all families asking for financial grant awards to complete a financial aid application. The School partners with School and Student Service for Financial Aid (SSS) for the application process, which includes a full personal financial statement and two years of federal tax returns and W-2's. SSS provides an independent assessment of what the family can contribute towards educational costs. All financial grant awards are based on need as determined by the Financial Aid Committee using all information obtained in the application and from SSS. Once the Financial Aid Office receives all financial materials pertaining to the application, the Committee will review each family's request. Consideration for aid is made after a student has been offered a place at Brimmer and May. Once the award has been given and the student enrolls at the School, the Business Office is given the amount of the award to process against the student account. These funds are part of the School's operating budget and the Business Office produces reports in order to verify against the final financial aid reports to student billing.
